It does not include the Fire Kids Edition but does include FreeTime. Welcome to your brand new Kindle Fire tablet. Amazon's newest generation Kindle Fire is truly a world-class tablet designed for lovers of all sorts of content: from eBooks to streaming video to highly addictive games to photos. The Amazon Kindle eReader revolutionized reading when it first appeared in 2007, and today's Kindle Fire HD tablet applies the same principles to music, movies, photos, web browsing, and more. The interface is designed to help you find your content and then to get out of your way so that you can enjoy reading, listening, watching, or playing without any distractions. Think of us as a friendly tour guide as you get to know your Kindle. You can read this guide from start to finish, or you can pick and choose chapters as you need them.
