Le sursaut ou le chaos Thierry de Montbrial, 2015-06-04 L'heure n'est plus au d ni aux pr cautions oratoires Ceux qui combattent au nom de l islam ont d cid de faire r gner un califat sur la plus grande partie possible de la plan te La France l Europe ne sont pas pargn es Ils br lent d capitent gorgent asservissent les femmes crucifient les chr tiens Une fraction de notre jeunesse forme leur bras arm Il est temps de se r veiller De changer d tat d esprit D adapter et d quiper nos forces de l ordre pour gagner cette nouvelle guerre Mais aussi de reconstruire notre soci t gangren e par le communautarisme de repenser l cole les prisons le renseignement et la coop ration europ enne D tre intransigeants face au pros lytisme et fiers de nos valeurs Le chemin est troit Mais nous n avons plus le choix After Charlie Hebdo Gavan Titley, Des Freedman, Gholam Khiabany, Aurélien Mondon, 2017-11-15 As the world looked on in horror at the Paris terror attacks of January and November 2015 France found itself at the centre of a war that has split across nations and continents The attacks set in motion a steady creep towards ever more repressive state surveillance and have fuelled the resurgence of the far right across Europe and beyond while leaving the left dangerously divided These developments raise profound questions about a number of issues central to contemporary debates including the nature of national identity the limits to freedom of speech and the role of both traditional and social media After Charlie Hebdo brings together an international range of scholars to assess the social and political impact of the Paris attacks in Europe and beyond Cutting through the hysteria that has characterised so much of the initial commentary it seeks to place these events in their wider global context untangling the complex symbolic web woven around Charlie Hebdo to pose the fundamental question how best to combat racism in our supposedly post racial age
