serve will be determined by the decision to grow or not she says Will you be a leader who is always ready to face the next challenge Or will you be a leader who tries to apply yesterday s solutions to today s problems As Blake confronts the challenges of business in the real world he turns to Debbie for guidance Step by step Debbie and Blake explore the GROW model four ways that leaders must challenge and stretch themselves both on the job and off to fulfill their highest potential Whether you re a CEO or an entry level employee this book will inspire you to reflect on your life and design your own long term growth plan a plan that can lead not only to continuing professional success but to personal fulfillment as well Great stories based on principles have proven to be the most effective genre for focused learning Mark and Ken have proven to be one of the world s most successful writing teams With Great Leaders Grow this creative dream team has produced their best work yet This is a book for those who seek to be more effective leaders at home at work and in our nation as a whole Andy Andrews New York Times bestselling author of The Noticer and The Traveler s Gift Leadership Is an Art Max Depree,2004-05-18 In what has become a bible for the business world the successful former CEO of Herman Miller Inc explores how executives and managers can learn the leadership skills that build a better more profitable organization Leadership Is an Art has long been a must read not only within the business community but also in professions ranging from academia to medical practices to the political arena First published in 1989 the book has sold more than 800 000 copies in hardcover and paperback This revised edition brings Max De Pree s timeless words and practical philosophy to a new generation of readers De Pree looks at leadership as a kind of stewardship stressing the importance of building relationships initiating ideas and creating a lasting value system within an organization Rather than focusing on the hows of corporate life he explains the whys He shows that the first responsibility of a leader is to define reality and the last is to say thank you Along the way the artful leader must Stimulate effectiveness by enabling others to reach both their personal potential and their institutional potential Take a role in developing expressing and defending civility and values Nurture new leaders and ensure the continuation of the corporate culture Leadership Is an Art offers a proven design for achieving success by developing the generous spirit within all of us Now more than ever it provides the insights and guidelines leaders in every field need **Secrets of Great Leaders** Carol O'Connor,2025-10-21 COULD YOU BE A LEADER Leadership is open to anyone willing to step up and take responsibility on the day and deliver what is needed Secrets of Great Leaders will support you on your journey to leadership success WHAT ARE THE 50 SECRETS GREAT LEADERS KNOW Leadership is about relationships The 50 secrets in this book will help you become the kind of leader who listens speaks well makes smart decisions solves problems and much more Secrets of Great Leaders reveals the things you need to know to motivate and inspire those around you Every one of the 50 secrets in this book contains 3 strategies you can put into practice right now to get better results Some of the ideas will surprise you all will inspire you Put these simple strategies together and you have a recipe for professional success a formula that will unlock your leadership potential LEADERSHIP MADE EASY Whether you
