Medicare Certified Home Health Agency Needs Training a home healthcare scheduler shouldn't feel like detective work. But if you've ever tried to teach someone how to schedule nursing visits in a Medicare certified agency, you already know the problem. The rules exist just not in one place. They're spread across federal regulations, PDFs, state policies, and CMS manuals with no clear workflow or operational guidance. This guide changes that. What This Guide Delivers: Built by professionals for real world use, this is more than a summary of Medicare requirements. It's a comprehensive training resource written to show schedulers what to do, when to do it, and how to remain compliant with confidence. Inside you'll find Medicare Conditions of Participation, CoPs clearly explained, Connecticut and New York specific scheduling requirements, Detailed visit timelines, SOC RN supervisory recert, and more. Care plan frequency guidance with real world scheduling examples, Templates, checklists, and visit planning tools, 30 question staff quiz for training and retention, Hyperlinked endnotes connecting every section to CMS or state guidance. Whether you're onboarding new staff or reinforcing best practices, this guide provides the clarity and tools your team needs to schedule appropriately and stay Medicare compliant. Who This Book Is For: Medicare certified home health agencies, Schedulers and back office staff, Directors of nursing and clinical leadership, Startups looking to train with confidence from day one, Agencies preparing for survey audit or expansion. No More Guesswork. No More Piecemeal Policies. Stop scrambling through policies, emails, and scattered resources. Equip your team with a training guide that works. Buy now and start scheduling the right way.

The BERA-Sage Handbook of Research-Informed Education Practice and Policy

Dominic Wyse, Vivienne Baumfield, Nicole Mockler, Martin Reardon, 2025-06-19. One of the most pressing topics worldwide is how we can improve education to enhance people's life chances. The BERA Sage Handbook of Research Informed Education Practice and Policy 2 Vol offers an in depth exploration of the ways in which education research intersects with and can lead to improvements in education. Through detailed examinations of educational policies, practices, values, and research methodologies, the handbook navigates the complexities inherent in educational systems and in so doing presents a unique new picture of education worldwide. Volume One of the Handbook set focuses on Understanding Research Informed Education and Volume Two focuses on how to implement it. Across six parts and fifty two chapters, the authors and editors explore a myriad of critical topics including using research to promote equity within education systems, rethinking pedagogy, and knowledge mobilisation through practitioner led inquiry. New developments in aspects such as systematic approaches to research synthesis are presented by world leading experts. Authors of the chapters draw from many different sources to provide a comprehensive understanding of education including perspectives from the arts, humanities, natural sciences, and social sciences. This understanding combines cutting edge education research and scholarship to provide insights into how education is enacted in countries and institutions through policy and practice. Featuring a truly diverse team of scholars to account for global perspectives, the BERA Sage Handbook of Research Informed Education Practice and Policy 2 Vol is an invaluable resource for scholars, researchers, students, and practitioners who are interested in the new frontiers in education.
