Review Questions

- 1 Lease and hire purchase are terms that are used interchangeably. They are mostly similar in some senses but differences could arise in relation to the terms of the agreement set for the arrangement. Some differences may include (but not necessarily) the following:
 - Lease agreements are made for longer durations and for bigger assets like land and property. Hire purchase agreements are made mostly for shorter durations and cheaper assets like hiring a car, machinery, etc.
 - In a lease agreement, the lessor is the leasing company or manufacturer or dealer lessor but in hire purchase, the bank is usually the one holding the ownership of the asset.
 - In a lease, ownership may lie with the lessor or lessee depending on the type of lease, whereas in hire purchase, the hirer becomes the owner of the asset immediately after the last installment is paid.
- 2 The differences between a lease and an investment property from the perspective of a lessor:
 - Lease is accounted using MFRS 117 while investment property is accounted using MFRS 140.
 - Lease applies to many types of fixed assets while investment property applies to land and building.
- 3 Three factors involved in the opting for a lease rather than an outright purchase of asset, especially in the context of AirAsia Group Berhad:
 - Less costly financing
 - Protection against obsolescence in technology
 - Flexibility in using the asset
- 4 For both Satsuka Bhd. and Awakening Bhd., the lease is a finance lease because:
 - (a) The present value of the minimum lease payments amounts to almost substantially all the fair value of the equipment ($PVMLP \ 82,065 / FV \ 100,000 = 82\%$)
 - (b) $PVMLP$
 $= RM30,000 + [RM30,000 \times PVIFA_{(10\%, 2)}]$
 $= RM30,000 + RM30,000 \times 1.7355$
 $= RM30,000 + RM52,065$
 $= RM82,065$

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
