

A woman with long dark hair, wearing a white sweater and dark pants, stands with her back to the camera, looking out over a waterfall. The waterfall is surrounded by dark, dense trees and foliage. The scene is dimly lit, creating a mysterious and somewhat eerie atmosphere. The title 'LEGEND OF HAUNTED FALLS' is overlaid on the image. 'LEGEND OF' is in a smaller, white, serif font, while 'HAUNTED FALLS' is in a large, bold, red, serif font with a distressed, textured appearance.

Legend Of Haunted Falls:

Legend of Haunted Falls Christine Roundy, 2014-11-11 There is no such thing as an Indian princess Morning Glory proclaimed vehemently Yet the prophecy of the old Shoshoni chief predicted that a native princess would come and break the curse of Haunted Falls and set the ghost free This was the terrible purpose to which she was born She Morning Glory Johnsen would have to sacrifice her life to break a curse At Haunted Falls she had found everything her grandfather had foretold She d even found Coty Glory wanted to run away She wanted to leave the one place where happiness was beginning to bloom within her even though summer was coming to an end But she couldn t move from her spot on the rock She could not move gripped in the horrible legend of her own destiny Her hand pressed into the roughness of the rock upon which she sat Glory felt its hard unyielding surface and knew this would be where she would die She knew it like she knew her own reflection *The Novels of Lord Lytton: A strange story. Poems Hanford Lennox Gordon, 1910 **The Phantom Heroine** Judith T. Zeitlin, 2007-06-30 The phantom heroine in particular the fantasy of her resurrection through sex with a living man is one of the most striking features of traditional Chinese literature Even today the hypersexual female ghost continues to be a source of fascination in East Asian media much like the sexually predatory vampire in American and European movies TV and novels But while vampires can be of either gender erotic Chinese ghosts are almost exclusively female The significance of this gender asymmetry in Chinese literary history is the subject of Judith Zeitlin's elegantly written and meticulously researched new book Zeitlin's study centers on the seventeenth century one of the most interesting and creative periods of Chinese literature and politically one of the most traumatic witnessing the overthrow of the Ming the Manchu conquest and the subsequent founding of the Qing Drawing on fiction drama poetry medical cases and visual culture the author departs from more traditional literary studies which tend to focus on a single genre or author Ranging widely across disciplines she integrates detailed analyses of great literary works with insights drawn from the history of medicine art history comparative literature anthropology religion and performance studies The Phantom Heroine probes the complex literary and cultural roots of the Chinese ghost tradition Zeitlin is the first to address its most remarkable feature the phenomenon of verse attributed to phantom writers that is authors actually reputed to be spirits of the deceased She also makes the case for the importance of lyric poetry in developing a ghostly aesthetics and image code Most strikingly Zeitlin shows that the representation of female ghosts far from being a marginal preoccupation expresses cultural concerns of central importance **Legends of the Wars in Ireland** Robert Dwyer Joyce, 1870 **Film, Folklore and Urban Legends** Mikel J. Koven, 2008 From Alien to When a Stranger Calls many films are based on folklore or employ an urban legend element to propel the narrative But once those traditional aspects have been identified do they warrant further scrutiny Indeed why is the study of folklore in popular film important In Films Folklore and Urban Legends Mikel J Koven addresses this issue by exploring the convergence of folklore with popular cinema studies Well beyond the identification of traditional motifs in popular cinema Koven reveals new paradigms of filmic analysis which open up when one looks at movies through the lens of folklore In particular this book focuses on the study of urban legends and how these narratives are used as inspiration for a number of films Divided into five sections the book begins with a general survey of the existing literature on folklore film predominantly from the perspective of folklore studies Subsequent chapters address discourses of belief how urban legends provide the organizing principle of some films and how certain films act out or perform a legend Movies discussed in this book include Alligator Candyman The Curve Dead Man on Campus I Know What You Did Last Summer Urban Legend Weekend at Bernie's and The Wicker Man as well as zombie films killer bee movies and slasher films including Halloween Black Christmas The Burning and Terror Train Koven also devotes attention to key television shows such as The X Files and Most Haunted In his analysis Koven explains not only how film and television narratives are built upon already existing popular culture beliefs but also how films and television shows recycle those beliefs
