Richards, 2019-06-04 A prominent scholar reveals the surprising ways that capitalism is actually the best way to follow Jesus s mandates to alleviate poverty and protect our earth Christianity generally sees capitalism as either bad because it causes much of the world s suffering or good because God wants you to prosper and be rich But there is a large growing audience of evangelical and mainline Christians who are deeply uneasy about how to follow Jesus s mandate to care for the poor and the environment while living with the excesses of capitalism Now a noted Christian scholar argues that there is a middle view that reveals Christianity cannot only accommodate capitalism but Christian theology can help explain why capitalism works By highlighting the most common myths committed by Christians when thinking about economics such as capitalism is based on greed and over consumption or if someone becomes rich that automatically means someone else will become poor *Money Guilt and God* equips readers to take practical steps in their own lives to conduct business worship God and serve others without falling into the prosperity gospel trap

**Free Enterprise: Condensed Edition of Money, Greed, and God** Jay W. Richards, Synopsis coming soon *Two*

*Masters: God or Money* Pastor Edmund Danilo Auguis, 2014-12-16 In this book Pastor Edmund exposes where our loyalty is whether to God or to money He also shared his insights as to why people ended up despising the Lord by trusting money He

presents the seeking of the Kingdom of God by working for rewards laying treasures in heaven making use of our money to win souls and not to worry about anything including our future Other topics include Integrity The roots of all kinds of evil Our hearts inclinations The Grace of Generosity Acceptable Service to God May you find this book a blessing as you desire to fulfill your God given purpose in life      *The Almighty* Paul Vigna,2025-07-22 The complete story of how we came to worship money and how we can stop greed from destroying everything The pursuit of wealth is considered an essential function of human nature and greed is an unspoken civic virtue Many of us revere billionaires and Wall Street rain makers then complain about the system being rigged and wonder why the country doesn't seem to work for the little guy anymore Some blame the Deep State for income inequality and corruption and others blame capitalism but the truth is that these issues have much deeper roots our devotion to money is a manmade invention that has transformed over thousands of years to replace religion as the foundation of our society and it is tearing civilization apart In *The Almighty* journalist Paul Vigna uncovers the forgotten history of money tracing the uneasy and often accidental alliance between wealth and religion as it developed from ancient city states to today's secular world where religious devotion has receded and greed has stepped in to fill the void Through engaging anecdotes original research and fresh perspectives on the causes of the many challenges we face today Vigna makes a compelling argument that money has no power apart from the power we give it We can build a better future where we don't need to choose between helping others and getting ahead But we can't repair the damage that greed has done until we understand how it took over our world in the first place      **Managing God's Money** Randy

Alcorn,2011-07-08 Discover an eternal perspective on personal finance from the bestselling author of *Heaven and The Treasure Principle* God cares a great deal more about our money than most of us imagine The sheer enormity of Scripture's teaching on this subject screams for our attention In fact Jesus says more about how we are to view and handle money and possessions than about any other topic including both heaven and hell In *Managing God's Money* Randy Alcorn breaks down exactly what the Bible has to say about how we are to handle our money and possessions in a simple easy to follow format Filled with Scripture references *Managing God's Money* is the perfect reference tool for anyone who is interested in gaining a solid biblical understanding of money possessions stewardship and eternity It answers common financial questions Christians ask such as Is it possible to both follow God and make money What if we can't afford to tithe What does the Bible say about debt How does investing differ from gambling How can we help children become generous givers Great for personal use small groups or churches *Managing God's Money* offers practical wisdom for being faithful with your finances

Bradley Van Vleet Jr., 2021-03-16 I know what you're thinking Another book on money And you're right this is another book on money but it's probably not quite from the angle that you're thinking Money Matters to God is a book about seeing finances through the eyes of God instead of the eyes of society Through this book we will walk through the scripture to see what the Bible actually has to say about money and how we should use it You may be surprised to see what's there Money is an important topic to God You can clearly see that through the Old and New Testaments Jesus talked more about money than He did about heaven or hell Money is important to God simply because it's important to us Sometimes too important My prayer is that through this book you will be able to shed the burden of financial stress through priority and perspective **Medico-pharmaceutical Critic and Guide** William Josephus Robinson, 1906 **The Medico-pharmaceutical Critic and Guide**, 1906 **God's Breath in Man and in Humane Society** Thomas Lake Harris, 1891
