Monstrous Regiment Discworld Novel:

Monstrous Regiment Terry Pratchett, 2003-09-30 War has come to Discworld again And to no one's great surprise the conflict centers on the small insufferably arrogant strictly fundamentalist duchy of Borogravia which has long prided itself on its ability to beat up on its neighbors for even the tiniest imagined slight This time however it's Borogravia that's getting its long overdue comeuppance which has left the country severely drained of young men Ever since her brother Paul marched off to battle a year ago Polly Perks has been running The Duchess her family's inn even though the revered national deity Nuggan has decreed that female ownership of a business is an Abomination with among others oysters rocks and the color blue To keep The Duchess in the family Polly must find her missing sibling So she cuts off her hair dons masculine garb and sets out to join him in this man's army Despite her rapid mastery of belching scratching and other macho habits and aided by a well placed pair of socks Polly is afraid that someone will immediately see through her disguise a fear that proves groundless when the recruiting officer the legendary and seemingly ageless Sergeant Jackrum accepts her without question Or perhaps the sergeant is simply too desperate for fresh cannon fodder to discriminate which would explain why a vampire a troll a zombie a religious fanatic and two uncommonly close friends are also eagerly welcomed into the fighting fold But marching off with little real no training Polly now called Oliver finds herself wondering about the myriad peculiarities of her new brothers in arms It would appear that Polly Ozzer Perks is not the only grunt with a secret There is no time to dwell on such matters however Duty calls The battlefield beckons There's a tide to be turned And sometimes in war as in everything else the best man for the job is a woman

Making Money Terry Pratchett, 2007-09-18 The Ankh Morpork Post Office is running like well not at all like a government office The mail is delivered promptly meetings start and end on time five out of six letters relegated to the Blind Letter Office ultimately wend their way to the correct addresses Postmaster General Moist von Lipwig former arch swindler and confidence man has exceeded all expectations including his own So it s somewhat disconcerting when Lord Vetinari summons Moist to the palace and asks Tell me Mr Lipwig would you like to make some real money Vetinari isn t talking about wages of course He s referring rather to the Royal Mint of Ankh Morpork a venerable institution that haas run for centuries on the hereditary employment of the Men of the Sheds and their loyal outworkers who do make money in their spare time Unfortunately it costs more than a penny to make a penny so the whole process seems somewhat counterintuitive Next door at the Royal Bank the Gloop an analogy machine has scientifically established that one never has quite as much money at the end of the week as one thinks one should and the bank s chairman

one elderly Topsy n e Turvy Lavish keeps two loaded crossbows at her desk Oh and the chief clerk is probably a vampire But before Moist has time to fully consider Vetinari s question fate answers it for him Now he s not only making money but enemies too he s got to spring a prisoner from jail break into his own bank vault stop the new manager from licking his face and above all find out where all the gold has gone otherwise his life in banking while very exciting is going to be really really short
