Lewis, 2007-12-15 Here s a book for every teen who wants to get involved in service and social change Featuring profiles of real Difference Makers and practical tools readers can use to support causes they are passionate about The Teen Guide to Global Action provides everything youth need to make a difference at the local national or global level From suggestions for reducing hunger and poverty and protecting human rights to environmental projects and efforts to promote peace this book provides know how teens can use to make the world a better place There s also a healthy dose of inspiration Whether it s reading about Zach Hunter who started an organization devoted to ending modern day slavery or Janine Licare who is helping protect Costa Rican rain forests teens reading these and dozens of other stories will realize they don t have to wait to become an adult to change the world Upbeat practical and highly motivating The Teen Guide to Global Action is a go to source teens can use to put their volunteer spirit into practice and make an impact in their world **Open Minds to Equality** Nancy Schniedewind, Ellen Davidson, 2006 An educator s sourcebook of activities to help

students understand and change inequalities based on race gender class age language sexual orientation physical mental ability and religion The activities also promote respect for diversity and interpersonal equality among students fostering a classroom that is participatory cooperative and democratic Learning activities are sequenced to build awareness and understanding First students develop skills for building trust communication and collaboration Second they learn to recognize stereotypes and discrimination and explore their presence in people s lives and in institutions Finally students create changes gaining self confidence and experiencing collective responsibility This book is an essential resource for teachers leaders in professional development and curriculum specialists **Social Studies & the Young Learner** , 2001

Museums, Children and Social Action Sharon E. Shaffer, 2023-12-15 Museums Children and Social Action examines the role that museums play in reaching teaching and inspiring children as global citizens of the world and looking to the future argues that the sustainability of museums will come from strengthening relationships with young visitors Presenting a

diverse range of programs exhibitions and outreach from museums across five continents Shaffer highlights how museums are already serving children and making a difference in their lives Arguing that museums have a unique responsibility to connect this audience with relevant social issues and challenges such as social injustice racism climate change and poverty Shaffer simultaneously acknowledges that a large number of children are still on the margins of the institution and its mission Recognizing the ways in which museums are currently serving children the book also considers what museums could and should be doing as they plan for the future raising critical questions about core values community partners and social agendas Museums Children and Social Action is essential reading for academics and students engaged in the study of museums social justice and childhood It encourages museums to make it their mission to educate and serve this audience and their families for the good of children as well as museums while also considering what their institutions can do to make a lasting impact on children and their families *Resources in Education* ,1997 *The New Advocate* ,1999 *The WomanSource Catalog & Review* Ilene Rosoff,1995 **Social Work Reflections** Neil Thompson,Sarah Vicary,2025-11-24 This book stands out for its integration of knowledge from lived experience inclusive practice and compassionate pedagogy making it essential reading for students and practitioners alike Lucy Bastera Senior Lecturer in Social Work University of Brighton UK I wholeheartedly recommend this book to anyone committed to reflective ethical and compassionate social work practice Gwenan Pryor Senior Lecturer in Social Work Bangor University UK Social Work Reflections is a compelling testament to the significance and impact of social work Recognizing the challenges practitioners face in an increasingly complex and evolving field this edited collection brings together diverse perspectives from educators practitioners and managers to showcase the vital role social workers play in advancing social justice and safeguarding society s most vulnerable members Drawing on the expertise of academics practitioners and individuals with the lived experience of social work services this book aims to inspire progress and empower students practitioners and managers at all levels of study and practice by emphasizing their value as drivers of individual and collective change The book Emphasizes the core values of social work social justice dignity and compassion Integrates theoretical insights with lived experiences from diverse contributors enriching nuanced areas of practice Encourages development of critical thinking and reflection skills Offers encouragement to practitioners managers and students striving to achieve positive outcomes under challenging circumstances Social Work Reflections is the essential companion for students newly qualified social workers practitioners and managers Of value to anyone considering a career in social work this book reaffirms the crucial role social work plays in building a more just and compassionate society Neil Thompson is an award winning writer and educator and a visiting professor at the Open University and Wrexham University UK Sarah Vicary is Professor of Social Work and Mental Health at The Open University UK **Te Gr4 Vol 2 Rare Finds Sig99** Harcourt Brace,1999 **Instructor** ,1991 **Social Studies in Elementary Education** Walter Parker,2009 The author wrote this new edition of the most popular elementary

social studies methods text on the market with the following three goals in mind to present the most powerful social studies content and pedagogy for children in elementary school to offer the material in simple and accessible ways and to write in a first person active voice The purpose of this book is to introduce new teachers to the world of social studies teaching and learning in elementary and middle schools Geography history government and the other social sciences are delivered into the palm of the new teacher's hand along with a suite of tools for bringing social studies to life in the classroom The book is organized into three sections the first orients the reader to the mission of social studies education to the increasingly diverse children we teach the second concentrates on the curriculum and the third deals with instruction how we plan and teach this curriculum Three central themes continue to pervade the book democratic citizenship diversity and the social sciences to ultimately encourage teachers to excite their students about closing the gap between social realities and democratic ideals An exceptionally strong chapter on multicultural issues Chapter 2 helps future teachers truly understand the changing demographics of the American classroom Abridged NCSS standards and their classroom applications are automatically packaged with every copy of the book

Teaching Children about Life and Earth Sciences Elaine Levenson, 1994 Idea filled guide for K-3 teachers and parents giving fun and educational activities to make science come alive [Read Alouds and Primary Sources](#) Addison-Wesley Educational Publishers, Incorporated, 2003 This collection of primary source documents and authentic literature helps students develop an eyewitness perspective as they read historical journals letters and speeches and examine documents from our nation's history
