Remembering Traditional Hanzi 1 James W. Heisig, Timothy W. Richardson, 2008-10-31 At long last the approach that has helped thousands of learners memorize Japanese kanji has been adapted to help students with Chinese characters Book 1 of Remembering Traditional Hanzi covers the writing and meaning of the 1 000 most commonly used characters in the traditional Chinese writing system plus another 500 that are best learned at an early stage Book 2 adds another 1 500 characters for a total of 3 000 Of critical importance to the approach found in these pages is the systematic arranging of characters in an order best suited to memorization In the Chinese writing system strokes and simple components are nested within relatively simple

characters which can in turn serve as parts of more complicated characters and so on Taking advantage of this allows a logical ordering making it possible for students to approach most new characters with prior knowledge that can greatly facilitate the learning process Guidance and detailed instructions are provided along the way Students are taught to employ imaginative memory to associate each character's component parts or primitive elements with one another and with a key word that has been carefully selected to represent an important meaning of the character This is accomplished through the creation of a story that engagingly ties the primitive elements and key word together In this way the collections of dots strokes and components that make up the characters are associated in memorable fashion dramatically shortening the time required for learning and helping to prevent characters from slipping out of memory

Pictorial Chinese Characters in Popular Chinese Stories Sam Song, 2013-04-23 This book is the revision of the book *Learning Chinese The Easy Way Read Understand The Symbols of Chinese Culture* 2008 edition This book makes learning Chinese characters fun and exciting This book in both Traditional Chinese and Simplified Chinese is a collection of two stories 1 Two Men and The Bear 2 The Wind and The Sun Sam Song has a way with words To teach he's the best you have heard The books that he writes are such marvelous sights learning Chinese each day word by word Chinese words we can learn very fast And when learned we cry Goodie at last For I must know the end How that story doth wend and to know how it ends is a blast Poet Mrs Carol Creed This book will be a huge help for you if you are thinking about to get better at understanding or remembering Chinese characters This book visually illustrates and explains pieces of every character in two popular Chinese stories Two Men and The Bear and The Wind and The Sun For practicing pronunciation or learning to read the popular Chinese stories in the book the free downloadable audio files ensure that readers learn the correct pronunciation and tone of each character in the book This book and the book *Learning Chinese The Easy Way Read Understand The Symbols of Chinese Culture* share the same audio files

Remembering Simplified Hanzi 1 James W. Heisig, Timothy W.
