Money Martin Amis:

Money Martin Amis, 2025-05-20 Named one of Time's 100 best novels in the English language Money is savagely hilarious It risks it boils with energy it even manages to shock The Washington Post Including a new introduction by Lorrie Moore author of I Am Homeless If This Is Not My Home Originally published in 1984 Martin Amis's classic novel Money is a searing critique of late stage capitalism that remains a poignant and relevant commentary on the trappings of materialism and the illusions of success Money is everything Especially to John Self a successful commercial director from London He spends his days steeped in booze and pornography and prostitutes lost in the hedonistic lifestyle of his peers But John has bigger dreams and he sets off for America on the invitation of the filmmaker Fielding Goodney in the hope of getting his first feature film titled Good Money off the ground It is in America where John must contend with his degenerative proclivities or risk the life he's built Money is Martin Amis at his very best a hilarious razor sharp and wholly singular storyteller

Money Martin Amis, 1984 The story of John Self and his insatiable appetite for money alcohol drugs porn and more Ceaselessly inventive and thrillingly savage it is a tale of life lived without restraint of money and the disasters it can precipitate From the Trade Paperback edition **Money** Martin Amis, Steven Pacey, 2008-01 This is the story of John Self consumer extraordinaire Ceaselessly inventive and savage this is a tale of life lived without restraint of money the terrible things it can do and the disasters it can precipitate **Martin Amis' Money** Laurence Hickey, 1999 *Martin Amis* Nick Bentley, 2015 Nick Bentley offers a critical analysis to the main themes and literary techniques of Martin Amis a leading literary figure who has inspired a generation of writers with his distinctive literary style Signature and Moral Reproach in Martin Amis's Money Caroline Wood, 2010 **Money, Money** Martin Amis, 2015-08-26 Ce qui suit est une lettre pour expliquer mon suicide Quand vous la poserez John Self aura cessé d'exister M A En ce début des années 1980 Margaret Thatcher est Premier ministre du Royaume Uni et Ronald Reagan président des États Unis Le cynisme et le fric sont au pouvoir Le narrateur de Money money se nomme John Self Réalisateur de films publicitaires John est obsédé par l'argent la bouffe le tabac l'alcool la drogue le sexe la pornographie Il consomme tout ce qui est illicite et n'est pas satisfait 35 ans il est obsédé ses dents sont pourries son corps guérit mieux Il est galemment ignorant et goste Mais si le personnage est ignoble il a un atout dans son jeu le sens de la dérision Publi en 1984 Money money a consacré Martin Amis comme l'un des meilleurs écrivains britanniques de sa génération Literature and the Writer Michael J. Meyer, 2004 Literature and the Writer was first conceived with the hope the essays would shed light on several dimensions of the authorial craft It was the hope of the editor that the selected essays would examine not only writers' choice of vocabulary but also their deliberate selection of grammatical constructions and word order and their seamless weaving together of plots and imagery Moreover the analyses would also draw attention to how the writing process impacts the development of characters and the formulation of thematic strands in fiction Thus a wide variety of authors are deliberately selected to give the text

depth writers of popular fiction as well as modern classics are included and contrasts are established between traditional writers and those who prefer to follow experimental trends Modernists are set against postmodernists absurdists vs realists minority ethnicities vs majority cultures and dominant genders appear in contrast to subordinated ones Clearly the major tenet of the collection is that the writing profession provides an unending dilemma that deserves to be explored in more detail as readers try to determine how authorial voices confuse while simultaneously elucidating their audience how texts are constructed by authors and yet deconstructed by the very words they choose to include how silence functions as inaudible yet audible discourse and how authorial self concept shapes not only itself but is also echoed in the fictional characters writers who appear in the texts

Contemporary Fiction, Celebrity Culture, and the Market for Modernism Carey Mickalites, 2022-01-13 Arguing that contemporary celebrity authors like Zadie Smith Ian McEwan Martin Amis Kazuo Ishiguro Salman Rushdie Eimear McBride and Anna Burns position their work and public personae within a received modernist canon to claim and monetize its cultural capital in the lucrative market for literary fiction this book also shows how the corporate conditions of marketing and branding have redefined older models of literary influence and innovation It contributes to a growing body of criticism focused on contemporary literature as a field in which the formal and stylistic experimentation that came to define a canon of early 20th century modernism has been renewed contested and revised Other critics have celebrated these renewals variously arguing that contemporary literature picks up on modernism's unfinished aesthetic revolutions in ways that have expanded the imaginative possibilities for fiction and revived questions of literary autonomy in the wake of postmodern nihilism While this is a compelling thesis and one that

rightly questions an artificial and problematic periodization that still lingers in academic criticism those approaches generally fail to address the material conditions that structure literary production and the generation of cultural capital whether in the historical development of modernism or its contemporary permutations This book addresses this absence by proposing a materialist history of modernism's afterlives *The Demotic Voice in Contemporary British Fiction* J. Scott, 2009-05-14 This book is an assessment of narrative technique in contemporary British fiction focusing on the experimental use of the demotic voice regional or national dialects The book examines the work of James Kelman Graham Swift Will Self and Martin Amis amongst many others from a practical as well as theoretical perspective *New York Magazine*, 1985-03-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *A Companion to the British and Irish Novel, 1945 - 2000* Brian W.
