the only thing of interest she finds is a strange little octopus pendent Besotted with octopuses Kristi immediately buys it But afterwards strange things start happening The sensation of slimy tentacles start to cover her body even though she can't see them The sensations quickly become too much for her and she is quietly seduced under the staring gaze of her fellow shoppers Tentacles in the Tundra Becky is assigned to oversee a field station way out in the northern tundra and is left alone for a week while her coworkers go gather more supplies It's a cold and lonely world up there and Becky starts investigating a strange shape beneath the ice to occupy her time Much to her surprise the creature locked beneath the ice is an octopus a strange thing to find so far north under the snow Becky rescues the strange frozen thing and the increasingly randy tentacled creature is happy to repay the favor Becky finds her loneliness abated in more ways than one as the octopus seduces her with its chilled limbs and leaves behind a gift that Becky will never forget Tentacles at the Zoo Tracy has been assigned what seemed like a simple job report on the zoo's new occupant All geared up with her notebook and camera and savvy journalist skills Tracy heads on over to the attraction unaware of what's in store In front of a crowd Tracy is dragged underwater and shown what she's been missing her entire life Afterwards she can't stop thinking about the encounter and can't stop herself from going back for more Tentacles on the Ship All Jenny wanted was to spend a nice vacation on her uncle's boat with her cousins But after her cousins abandoned her to her own devices she discovered one of her uncle's fishing catches living in a tank down in the bowels of the ship Intrigued by the strange thing Jenny feeds and studies it only to have it turn the tables and study her After being pinned down and exposed Jenny has no choice but to give in Tentacles in the Ancient Ruins Amy's explored ancient ruins her entire life and now she has an opportunity to lead her own expedition But the temple she's in charge of has strange symbols on the walls that intrigue her and haunt her dreams symbols of an ancient myth from a lost civilization While she's investigating the temple she stumbles onto a sealed off room that holds the source of all those myths and it's eager to show her how it matches up to the legend Tentacles in the Lab Maggie's always found strange and unusual creatures in her job as a marine biologist but she wasn't prepared for the strange weirdness of her lab's new occupant Descended from ancient gods of old the creature has an appetite for seducable women And Maggie intrigued and titillated by the its past is all too willing to let it indulge Agile and flexible the creature is willing and able to pin Maggie down and use her to its most perverted ends Researching the Tentacles Sarah has been investigating a strange phenomenon that women have been experiencing The same monster keeps showing up in the pictures that she's uncovered leading her further into the mystery But it's not until one of her friends gives her access to her lab and the specimens inside it is Sarah able to experience the phenomenon for herself Researching the Tentacles 2 Sarah's new and intriguing research subject has already shown her indescribable things and she wants more Joined by her equally entranced friend Maggie the two take a boat out into the middle of the ocean to search for meaning for explanation but most of all for pleasure But the two are pulled underwater to confront the creatures that started it all and Sarah and Maggie indulge in their desires not only with things of

myth but also with each other Dark and Filthy Monsters, A Monster Erotica Bundle Cain Katya (author),1901
