

MOONEY 252TSE

THE WORLD'S MOST EFFICIENT FOUR PLACE
STATION SINGLE JUST BECAME THE FASTEST

Top speed at FL240... 252 miles per hour!
Climbs to FL240 in 24 minutes... Certified to FL280.

Here is turbocharged power at its pulsing-pounding best! A new Intercooled Commercial T40C, 300-hp engine, with variable vane gear control permits full throttle take-offs and climbs without overboosting manifold pressure. A Garrett turbo delivers 100% power all the way to FL360 with engine parameters automatically controlled. Cruise speed equals the top speed of the 252's predecessor.

A single, electrically operated cowl flap allows infinite settings for positive engine temperature management throughout climb and descent. A NACA induction air inlet and a tuned induction system let the engine breathe easier, run cooler, last longer and deliver more miles per gallon of fuel. A new 28V electrical system is standard. Inboard gear doors reduce drag, improving climb and cruise performance.

The 252TSE takes on rakish new looks inside and out. The redesigned interior provides more shoulder and elbow room, features new center arm rests for front and rear passengers. New side window treatment and distinctive paint scheme distinguishes the exterior appearance. And to top

it off, all new Mooneys now carry the most generous airframe warranty in the industry - a full two years. Plus, up to 100% financing is available.

Check it out. No other single engine convertible offers so much for your dollar. For complete details, CALL 512-896-6000.
