

ROOTED QUESTIONS OF HISTORY

Reviewed by **James J. Frawley**

Rooted Questions of History is a collection of essays by James J. Frawley, a professor of history at the University of California, San Diego. The book is a collection of essays that explore the roots of history and the questions that history raises.

The book is divided into two parts. The first part, "Roots of History," contains four essays that explore the roots of history in the human mind. The second part, "Questions of History," contains four essays that explore the questions that history raises.

The first essay in the first part, "The Roots of History," explores the roots of history in the human mind. Frawley argues that history is a human invention, a way of making sense of the world. He argues that history is a way of making sense of the world by creating a narrative of the past.

The second essay in the first part, "The Roots of History," explores the roots of history in the human mind. Frawley argues that history is a human invention, a way of making sense of the world. He argues that history is a way of making sense of the world by creating a narrative of the past.

The third essay in the first part, "The Roots of History," explores the roots of history in the human mind. Frawley argues that history is a human invention, a way of making sense of the world. He argues that history is a way of making sense of the world by creating a narrative of the past.

The fourth essay in the first part, "The Roots of History," explores the roots of history in the human mind. Frawley argues that history is a human invention, a way of making sense of the world. He argues that history is a way of making sense of the world by creating a narrative of the past.

The first essay in the second part, "Questions of History," explores the questions that history raises. Frawley argues that history is a human invention, a way of making sense of the world. He argues that history is a way of making sense of the world by creating a narrative of the past.
