## **Letat De Lopinion:**

*Parties and the Party System in France* A. Knapp, 2004-03-12 The French elections of 2002 broke all records for fragmentation abstention and far right protest voting yet returned incumbent President Chirac in triumph and gave him a solid basis of parliamentary support Parties and the Party System in France seeks to explain the paradox of France's current relationship to politics through a comprehensive analysis of French political parties and their interaction over the last fifty years set against the two contexts of French history and of contemporary theories of parties and party systems *L'Opinion*, 1915 *Shades of Indignation* Paul Jankowski, 2008 Corruption is far from disappearing yet now it inspires resignation rather than indignation and as such it has lost its power to scandalize Jankowski claims that such transformations tell a tale The state that once aspired to pre-eminence as the sole magnet of loyalty touchstone of probity and guarantor of right has yielded significant ground to the individual who is now more likely to elevate his own dignity and cry scandal on his own behalf Jacket *The Long Presidency* Julius W Friend, 2018-02-07 A balanced yet critical review of Mitterrand's fourteen year presidency Friend has crowned a long career as an expert on French politics with this astute analysis and assessment of a decisive chapter in the history of French Socialism This is contemporary history at its best Richard Kuisel SUNY Stony Brook An intelligent and highly readable account of the Mitterrand years that Friend argues have changed the political landscape of France A very good example of instant history Fritz Stern Foreign Affairs In this informed and balanced treatment of recent French history Julius Friend analyzes the changes successes and failures in the long and checkered record of the former French president Francois Mitterrand Extensive interviews with French politicians and intellectuals complement his original research Mitterrand was in office longer than any other democratic president but Friend asks us to consider the legacy of such a term Elected in 1981 on a platform of radical reorganization of the French economy and society Mitterrand was compelled to change policy within two years Conventional austerity replaced socialist measures and his second term was spotted by scandal and weakened by illness The Mitterrand era saw the end of French hopes to be first among equals in Western Europe instead Mitterrand inaugurated a partnership with unified Germany in the European Union
