

"If we investigate other planets we can see whether there are different objects we might not know about, and it can help us to look after our Earth too! We will get more knowledge about the planets around us. Also, learning new things is really cool and being able to use them to help our planet is even better"

Application

"Alright so since we are done discussing the planets in our solar system, we will have here a short activity."

"I will divide you in to 4 groups. You will draw all the planets based on their sequence and you need to label it. Are we clear? You have 10 mins to do this. You can starts now."

Evaluation

"I think you already understand our lesson, so we will have a short quiz. Get one half sheet of pad paper and listen to me carefully because I will only repeat the question twice. Okay?"

Questions:

1. It is the third planet from the Sun and the only astronomical object known to harbor life.
