**Rosina Ehmann**

## **Life Orientation Project Memorandum For 2015:**

*Building Performance Analysis* Pieter de Wilde, 2018-07-23 Explores and brings together the existent body of knowledge on building performance analysis Shortlisted in the CIBSE 2020 Building Performance Awards Building performance is an important yet surprisingly complex concept This book presents a comprehensive and systematic overview of the subject It provides a working definition of building performance and an in depth discussion of the role building performance plays throughout the building life cycle The book also explores the perspectives of various stakeholders the functions of buildings performance requirements performance quantification both predicted and measured criteria for success and the challenges of using performance analysis in practice Building Performance Analysis starts by introducing the subject of building performance its key terms definitions history and challenges It then develops a theoretical foundation for the subject explores the complexity of performance assessment and the way that performance analysis impacts on actual buildings In doing so it attempts to answer the following questions What is building performance How can building performance be measured and analyzed How does the analysis of building performance guide the improvement of buildings And what can the building domain learn from the way performance is handled in other disciplines Assembles the current body of knowledge on building performance analysis in one unique resource Offers deep insights into the complexity of using building performance analysis throughout the entire building life cycle including design operation and management Contributes an emergent theory of building performance and its analysis Building Performance Analysis will appeal to the building science community both from industry and academia It specifically targets advanced students in architectural engineering building services design building performance simulation and similar fields who hold an interest in ensuring that buildings meet the needs of their stakeholders

The Oxford Textbook of Palliative Social Work Terry Altilio, Shirley Otis-Green, John G. Cagle, 2022 It is so important to advocate for things that may not always seem possible Getting to work with patients families at the end of their life is the ultimate honor Lauren G Markham MSW LCSW APHSW C In this work one witnesses both depths of human suffering and heights of human transcendence that can inspire both awe and fear At those times I have found that surrendering my need to be an expert and instead allow myself to simply be a human is the wisest action Kerry Irish LCSW OSW C FAOSW
