Whole School Approaches to Sustainability Arjen E.J. Wals, Birgitte Bjønness, Astrid Sinnes, Ingrid Eikeland, 2024-06-22 In response to urgent global sustainability challenges Education for Sustainable Development ESD and Global Citizenship Education have been prioritized in the United Nations Agenda 2030 under SDG 4 7 There is a growing awareness that treating concepts such as global citizenship sustainable development climate urgency and health and well being as separate subjects or topics to be added to a curriculum is ineffective as they are highly interconnected Additionally this approach is problematic as schools already have an overcrowded curriculum This edited volume brings together a range of scholars and reflective practitioners from across the globe who are investigating and enacting a whole school approach WSA in education for sustainability While the WSA and related approaches such as those

advocated by EcoSchools are becoming more popular there is a lack of understanding of their underlying principles and the different manifestations in diverging socio cultural contexts at different educational levels This collection of chapters provides a deeper understanding of the WSA while also addressing its effectiveness possibilities for upscaling professional development needs for WSA practitioners interlinkages with more conventional curriculum requirements expectations of students and parents and more This is an open access book Foundations of Wellness Bill Reger-Nash, Meredith Smith, Gregory Juckett, 2015-01-08 Life is crammed with busyness screen time and an abundance of shallow experiences If you don't mindfully change your way of thinking and behaving that's all your life will ever be Foundations of Wellness can help you live a satisfying life one full of rich and deep experiences You'll understand your identity and inner strengths and resources as well as set and move toward meaningful personal goals With Foundations of Wellness you will explore physical mental emotional social environmental and spiritual realms of wellness using an evidence based approach to health and wellness that will help you explore ways to live your life to the fullest You will examine the seven attitudinal foundations of mindfulness to daily living delve into wellness resources and dietary needs discover health check strategies and learn the keys to making healthy behavioral changes Foundations of Wellness is written in a conversational style and divided into three parts Part I establishes basic wellness problems and introduces tools to discovering wellness and inner peace Part II addresses physical dimensions of wellness including physical activity nutrition sleep and body maintenance In part III you'll discover the strategies that will propel you to a higher level of living one that can affect not only your life but also the lives of others for generations to come Each chapter explores key concepts and topics that affect your wellness The chapters begin with objectives and a vignette that illustrates a challenge related to the content and use stories to illustrate teaching points The text also incorporates activity sidebars that empower you to make the behavioral changes that will lead to a more satisfying and meaningful life You will learn how to incorporate mindfulness a practice that helps you live with greater awareness and positive psychology as you embark on your wellness journey In Foundations of Wellness you will also learn the seven attitudinal foundations of mindfulness practices and explore the spiritual truths that are at the core of wellness
