**Food and Cooking Skills Education** Anita Tull, 2018-01-29 Food and Cooking Skills Education FCSE is a complex mix of policy and practicality educational theory and pedagogy classroom and government policy This book shows how FCSE has been at the centre of a tussle between education and policy for decades It reviews how FCSE has grappled with various significant issues of concern that threaten to marginalise it and pose problems for educational practicalities as expectations are increased but resources are squeezed It assesses the debate about the significance and importance of acquiring practical food and cooking skills in a society where the purchase of ready made food has become commonplace and public knowledge of where our food comes from is noticeably lacking This has contributed to the escalating incidence of diet related diseases and the attendant cost to society and threatened environmental sustainability In turn governments have reacted by proposals to make practical cooking skills a statutory National Curriculum subject as part of the armoury for tackling such costs Based on detailed research conducted across England and Wales as well as comparisons with thirty five other countries or states the author makes recommendations for policy to manage this challenge facing contemporary society

**Teen Lives around the World** Karen Wells, 2019-11-08 This two volume encyclopedia looks at the lives of teenagers around the world examining topics from a typical school day to major issues that teens face today including bullying violence sexuality and social and financial pressures Teenagers are living in a rapidly changing and increasingly interconnected yet unequal world Whether they live in Australia or Zimbabwe they have in common that they are between childhood and adulthood and increasingly aware of how inequality is affecting their lives and futures This encyclopedia gives a different perspective based on the experiences of teens in 60 countries Each entry gives the reader a brief sketch of a country to help readers to understand how geography history economics and politics shape teen life The entries include a country overview and cover the following topics Schooling and Education Extracurricular Activities Art Music and Sports Family and Social Life Religions and Cultural Rites of Passage Rights and Legal Status and Issues Today Special sidebars called Teen Voices appear throughout the text and include a description of a typical day in the life of a teen in various countries Students will be able to gain a better understanding of what life is like around the world for their peers and will be able to easily make cross cultural comparisons between different countries
