No Way! Tijan Beast, 2017-05-22 Dallas was a chance to start over A local Dallas charity The Hope and Love Foundation was hiring me My job was to assist in the management of the charity I had a degree in business management but most of my job involved meeting with wealthy men and asking for donations The rest of my job was trying to find job opportunities for the homeless The first six months of my job was amazing I loved helping people and everyday The Hope and Love Foundation was changing the lives of the poor and homeless Since I spent so much time dealing with millionaires and billionaires it wasn't a huge surprise that occasionally one would ask me out I was still learning my job and so I politely refused for the first couple months Eventually a few eligible bachelors broke down my defenses I couldn't stay dateless forever I want to help people but I don't want to be a freaking nun So I had a great career a nice apartment and I was getting asked out by rich and sexy men What could go wrong This was roughly just after Thanksgiving Fifty Shades of Grey had been on sale for several months now I assume E L James was at this time rolling around naked in a bedroom full of money with someone while laughing her ass off that her Twilight fanfiction story just made her millions of dollars Life must have been amazing for her and I really hope that she enjoys all her success That being said her book was like a cultural freight train and I was the poor idiot that was about to get run over Right now you're probably thinking to yourself what could be going on that would cause Amber Blake's life to suddenly go downhill Did you know that people try to impersonate pop culture So you have this story about a rich guy that basically wants to have this completely messed up relationship that involves sex but no romance That's like having peanut butter without jelly or taquitos without ranch dressing don't judge me Well if this book had just been a hiccup in literature then my life would have been perfect Instead Fifty Shades of Grey becomes this megahit and suddenly every woman that dates a rich guy expects him to Fifty Shades it a little bit and of course since all the other women are now trying to find their own Christian Grey all those rich cute guys I was now dating began to adapt If most of the women wanted Christian Grey then all these guys that definitely wanted women would do their best to give them Christian Grey Everything was going great until Bob Hoffman He was just a

smidge older than I generally go out with but he'd always been a gentleman at the charity functions So when he asked me out I was actually looking forward to it We went to dinner and I was actually having a great time You know how when you like someone they just sort of become cuter Bob was one of those guys He was going prematurely bald and he had a bit of a double chin but he was so funny The only thing that seemed off was how he kept trying to get me to look at his stupid satin tie What did I care that it was gray How was that going to make my salad taste better Outside of that weird compulsion to make me look at a tie he was really a nice guy At least that's what I thought at the time How was I to know this was the start of a series of bizarre dates by Christian Grey wannabes *Twenty-First-Century Popular Fiction* Bernice M.
