## **My Last Skirt The Story Of Jennie Rodgers Union Soldier:**

**My Last Skirt** Lynda Durrant, 2006-02-13 Jennie Rodgers dressed as a boy for the first time in order to help support her impoverished Irish family with a shepherd's wages. Then her arrival in America confirmed her belief that the world offers better opportunities to young men than to young women. So Jennie maintained her outward identity as Albert Cashier, serving as a grocery clerk in Queens, New York, as a farmhand in Ohio, and as a recruit in the 95th Illinois Infantry during the Civil War. Not only did she survive three years in combat with her true identity undiscovered, she chose to continue living as Albert for nearly all of her life. Combining careful research with vivid insight, Lynda Durrant portrays Albert Cashier as a soldier who served his adopted country and his comrades with loyalty and heroism, and Jennie Rodgers as a woman of astonishing strength, courage, and adaptability, a woman sometimes at war with her own secrets. Author's note, bibliography.

Engaging With History in the Classroom Janice I. Robbins, Carol L. Tieso, 2021-10-03 Engaging With History in the Classroom. The Civil War is the second in a series of middle grade U.S. history units that focus on what it means to be an American citizen living in a democracy that expects as much from its citizens as it provides to them. In every lesson, students are asked to step into the world of 19th century America to hear about and to see what was happening, to read the words of real people, and to imagine their hopes, dreams, and feelings. Students also learn to question the accounts left behind and to recognize different perspectives on events that divided the nation but resulted in progress in the path to liberty for all. Resources for teachers include a running script useful as a model for guiding conceptualization, as well as extensive teacher notes with practical suggestions for personalizing activities. Grades 6-8. Disciplinary and Content Literacy for Today's Adolescents, Sixth Edition William G. Brozo, 2017-04-24 Well established as a clear, comprehensive course text in five prior editions, this book has now been extensively revised with a focus on disciplinary literacy. It offers a research-based framework for helping students in grades 6-12 learn to read, write, and communicate academic content and to develop the unique literacy language and problem-solving skills required by the different disciplines. In an engaging, conversational style, William G. Brozo presents effective instruction and assessment practices illustrated with extended case studies and sample forms. Special attention is given to adaptations to support diverse populations, including English language learners. Prior edition title: Content Literacy for Today's Adolescents, Fifth Edition. New to This Edition: Shift in focus to disciplinary literacy, as well as general content area learning; Chapter on culturally and linguistically diverse learners; Incorporates a decade of research and the goals of the Common Core State Standards; Increased attention to academic vocabulary; English language learners; the use of technology and multiple text sources such as graphic novels and digital texts; Pedagogical features: chapter opening questions, plus new case studies, classroom dialogues, practical examples, sample forms, and more. Women Warriors Tracey-Ann Knight, 2017-08-15 Explores the compelling lives of the extraordinary women who rebelled against constraints placed upon their sex to become warriors. Imperfections Lynda Durrant, 2008 Carefully researched, Imperfections takes

readers inside a Shaker community in the 1860s and tells the story of a spirited young woman who is determined to be herself
