## **My Life In Little Hands:**

**My Life in Little Hands** Marianne Depp, 2014-10-28 I suddenly found myself immobilized in confusion I didn't know how to work the remote My hands felt heavy and clumsy Again I was a woman possessed I stared down at my hands illuminated by the light of the television and looked as the muscles of my fingers tried to change the channel Nothing It was like I was looking at the hand of another person I was unnerved to be unable to use a familiar object I was no longer the captain of my body After returning home from the hospital with her newborn baby boy Logan something feels amiss It should be the happiest time of Marianne's life but she finds herself suffering strange spells Everything comes to a head when Marianne falls in the bathroom and has a stroke with her children in the next room With a single minded determination only a young mother can conjure Marianne struggles to find answers and fights to survive for the sake of her three children Along the way she becomes enlightened on what it really is to live and to accept both the good and the bad in life But first she must embrace herself and come face to face with her own limitations

Hot Little Hands Abigail Ulman, 2016-05-31 For fans of HBO's *Girls* Abigail Ulman's heartbreakingly tender and often darkly funny fiction is a fresh take on the experiences of contemporary young women A familiar yet highly inventive collection of short fiction which hits virtually all my buttons dark humor complex female characters and a strong summer camp storyline Lena Dunham Lenny Claire is magnetic On the cusp of adulthood and letting go of her adolescence one miserable responsibility at a time she's moved from London to San Francisco to work toward her PhD and minor in cheap whiskey pour over coffee and guys who can't be bothered to shower When she finds out she's pregnant by a heartsick ex boyfriend the solution seems clear if only to her Kira is a talented thirteen year old Russian gymnast who leaves her traditional family to travel to America Elise and Jenni two Australian high school students seek asylum from the hooking up and heavy drinking they've been doing for years by reenrolling in their childhood sleepaway camp Over the course of nine loosely connected stories *Hot Little Hands* introduces us to young women at once clever and naive who struggle to navigate

the chronic uncertainty and very real dangers that come with being impatient for the future and reluctant to leave childhood behind Abigail Ulman's voice feels of the moment sharp and powerful as she deftly explores ageless themes of sex and maturity among girls who are both confident and frighteningly exposed Praise for Hot Little Hands In this sardonic smart and thoroughly modern debut collection Ulman presents nine stories about young women on the verge of adulthood motherhood and more who make momentous decisions while delirious with desire O The Oprah Magazine Ulman excels at dialogue and narrative The more you get to know her characters the funnier it is to witness their verbal code switching as they navigate between nosy parents fumbling love interests and trusted friends That none of these stories is constrained by any need for tidy endings makes them all the more believable The Atlantic Deftly written with a fresh and realistic style Each female protagonist is wonderfully complicated and charming in her own way Bookreporter The captivating women in this collection leave a lasting impression Publishers Weekly Genuinely insightful Hot Little Hands is the rare collection that portrays how life pivots around mundane moments as readily as earth shaking events Shelf Awareness It is rare for a collection to so adeptly capture the way life can be at once facile and intense Ulman's details are lifelike and droll her style lucid and engaging and the overall effect stirring Kirkus Reviews A noteworthy debut Ulman writes without judgment and this is what gives her characters life They are multifaceted flawed beings sometimes victims of others but often victims of their own actions in whom readers will recognize flashes of themselves Booklist The stories are beautifully paced the dialogue perfect There is a lovely comedy underpinning the cool tone Often this becomes hilarious but it is also controlled and well judged Abigail Ulman knows how to write a story manage a buildup hold your attention suggest that somehow nothing much is happening while in fact everything is going on Colm T. ib n author of Brooklyn The Story of my Life Georg Ebers, 1893

**The Days of My Life: An Autobiography** Margaret Oliphant Wilson Oliphant, 2020-09-28 I WAS going home from the village and it was an autumn evening just after sunset when every crop was cut and housed in our level country and when the fields of stubble and browned grass had nothing on them except here and there a tree They say our bare flats in Cambridgeshire are neither picturesque nor beautiful I cannot say for that but I know no landscape has ever caught my eye like the long line of sunburnt wiry grass and the great wide arch above with all its shades of beautiful color There were no hedgerows to skirt the path on which I was and I saw nothing between me and the sky save a solitary figure stalking along the highway and in the other direction the clump of trees which surrounded Cottiswoode the sky in the west was still full of the colors of the sunset and from the horizon it rose upward in a multitude of tints and shades the orange and red melting into a rosy flush which contrasted for a while and then fell into the sweet calm peaceful tone of the full blue In the time of the year and the look of the night there was alike that indescribable composure and satisfaction which are in the sunny evenings after harvest the work was done the day was fading everything was going home the rooks sailed over the sky and the laborer trudged across the moor Labor was over and provision made and the evening and the night peace and refreshment and rest were coming for every man I do not suppose I noticed this at the time but I have the strongest impression of it all in my remembrance now And I was passing along as I always did quickly and perhaps with a firmer and a steadier step than was usual to girls of my years swinging in my hand a bit of briony which for the sake of its beautiful berries I was carrying home but which stood a good chance of being destroyed before we got there not taking leisure to look much about me thinking of nothing particular with a little air of the superior the lady of the manor in my independent carriage a little pride of proprietorship in my firm footstep

**Life and Poetic Emotions** LadyBlue 2000, 2011-07-28 I started writing many years ago At first it was just mental therapy for me My doctor very great psychologist told me that if I wrote my feelings down on paper that it would help me feel better and cope with what's bothering me in my head I suffered many horrors in my life and I needed a

way cope and live a normal life Well my life isnt exactly normal as you will read And neither are some of my poems The question for me to ask is anyones life really normal I wanted my life to be written so that the future generations of my family will know about me And will know of how I became the person that I ended up to be By accident I realized that I could write poems of many kinds A guarantee that you will laugh and sometimes cry and even learn from my poems Of how to love heal cope laugh cry live and get even through my poems Many of my friends online around the world give me subjects to write about To be their words for them to speak to others To help to Heal to dream reasons to live and reasons to want to pray And reasons to not want to die I thought to myself that if Im going to be a writer that I dont want to let one subject to be untouched To speak out words that I feel need to be heard through my poems I want my book to be of help to others for whatever needs they have And I pray with my whole heart that you get something good out of what you are about to read And whether you believe it or not you will find in my book of something that you might need written in one or more of my poems And the life story is to help you know that your life is better than you may have thought In my poems there is something for everyone And that means you My e mail is written in my book if you would like to write me or even comment on my book Weather good or bad happy or sad I would like to know of how you feel
