My What Ticklish Feet You Have:

My, What Ticklish Feet You Have James T. Medak, 2012-01 These boys don't even know how much they're being lusted after. You know the type: the young fresh out of college frat boys walking around your town in jeans and flip-flops so casual to the world but so unknowingly fantasized about by people like us. Their toes are begging to be sucked on their bare soles, dying to be licked. Unfortunately, these boys don't even know how much pleasure shoots through them through the simple act of foot worship, which means it's up to us to show them the way. Having written *HOW TO BE A TICKLE SLAVE* hailed as an instant classic by The Big Tickle Blog, James T. Medak returns for a whole new set of wildly erotic stories about young men with ticklish bodies who are kidnapped, tied up, worshipped, and tormented to the point where they can't take it anymore in more ways than one. For those who think that ticklish young men must be tickled no matter who they are or what they're doing, then consider *MY WHAT TICKLISH FEET YOU HAVE* your ticket into a whole new world of devious delights.

Endure May (13 Days of December Book Two) Lexi Kingston, 2021-12-13 Following the death of his sister, world-famous drummer Jamie LeMont spirals into a pit of depression, relying on alcohol to drown her memory. Victoria Green is insensitive, selfish, and has been obsessed with Jamie's band forever. Except when she meets him in real life, she's disappointed to find that she can't stand his careless, drunken attitude. But after Jamie's reckless behavior lands him unwanted attention from the media, the two are forced to fake date in order to rectify his reputation, and as it turns out, they have more in common than they ever could have predicted. Still, they can't stand each other. Will they be able to maintain this farce for the media, or will too much time spent together turn the arrangement into more than a business relationship? *Endure May* is the moving second book in the 13 Days of December contemporary romance series. If you like sassy heroines and work-in-progress book boyfriends with emotional scars, then you'll love Lexi Kingston's touching and emotional tale.

The Correspondence of Charles Darwin: Volume 20, 1872 Charles Darwin, 2013-06-20 This volume is part of the definitive edition of letters written by and to Charles Darwin, the most celebrated naturalist of the nineteenth century. Notes and appendices put these fascinating and wide-ranging letters in context, making the letters accessible to both scholars and general readers. Darwin depended on correspondence to collect data from all over the world and to discuss his emerging ideas with scientific colleagues, many of whom he never met in person. The letters are published chronologically; volume 20 includes letters from 1872, the year in which *The Expression of the Emotions in Man and Animals* was published, making ground-breaking use of photography. Also in this year, the sixth and final edition of *On the Origin of Species* was published, and Darwin resumed his work on carnivorous plants and plant movement, finding unexpected similarities between the plant and animal kingdoms.

New Plays for the Black Theatre Woodie King (Jr.), 1989 Black theatre gives the world a truer picture of what is happening with us on a day-to-day basis because we very seldom depict the past in our work; we create the present. You can note this in all of the plays in this anthology. Our political situation is a guide for most of the darker people of the world. The

politics of Black theatre is a cry for change and for all that that means whether we are on a university campus in a non profit resident theatre or on Broadway The politics of our being there causes traumatic repercussions From Introduction page 1
