This course solution may be used in a co-requisite course model or simply to help underprepared students master prerequisite skills and concepts. About College Algebra Third Edition Kirk Trigsted revolutionized the way this course is taught when he created College Algebra, a completely clickable eText that was written from the ground up within MyMathLab. Recognizing that today's students start with the homework instead of reading the text, Trigsted created an online learning environment that is a seamless mix of exposition, videos, interactive animations, tutorials, and assessment. This approach leverages the power of MyMathLab and leads students to interact with course materials in a way that is proving to be more effective. **ALERT** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN.
