**The Tapestry Handbook** Carol K. Russell, 1990      **Hand-Loom Weaving: A Manual for School and Home** Mattie Phipps Todd, 2022-08-01 In *Hand Loom Weaving A Manual for School and Home* Mattie Phipps Todd presents a comprehensive guide that encapsulates the artistic and practical aspects of hand loom weaving. Written in an accessible yet instructive style, the book is structured as a manual offering detailed instructions for both novice and experienced weavers. It provides insights into various techniques and projects that emphasize creativity and skill development, encouraging readers to appreciate the interplay of form and function in textile arts. Todd situates her work within the broader context of early 20th century craft movements, highlighting the significance of leisure arts in both educational settings and domestic life. Mattie Phipps Todd was a pioneering figure in the realm of crafts and education, driven by a passion for promoting practical arts as an integral part of daily living. Her background as a teacher and advocate for skill-based education uniquely positioned her to address the need for instructional resources in hand weaving. Todd's experiences in the burgeoning American craft revival undoubtedly influenced her approach, blending pedagogical insights with an enthusiasm for the tactile and communal aspects of weaving. This book is highly recommended for educators, hobbyists, and anyone interested in the rich tradition of textile arts. *Hand Loom Weaving* not only serves as an essential manual for mastering the craft but also invites readers to cultivate a deeper connection to the heritage of handwork and the joys of creating tangible beauty.      *Tapestry Loom Techniques* Jules Kliot, 1974      **How to Weave a Navajo Rug and Other Lessons from Spider Woman** Barbara Teller Ornelas, Lynda Teller Pete, 2020-10-01 Navajo blankets, rugs, and tapestries are the best known, most admired, and most collected textiles in North America. There are scores of books about Navajo weaving, but no other book like this one. For the first time, master Navajo weavers themselves share the deep inside story of how these textiles are created and how their creation resonates in Navajo culture. Want to weave a high quality Navajo style rug? This book has detailed how-to instructions meticulously illustrated by a Navajo artist, from warping the loom to important finishing touches. Want to understand the deeper meaning? You'll learn why the fixed parts of the loom are male and the working parts are female. You'll learn how weaving relates to the earth, the sky, and the sacred directions. You'll learn how the Navajo people were given their weaving tradition and it wasn't borrowed from the Pueblos, and how important a weaver's attitude and spirit are to creating successful rugs. You'll learn what it means to live in *hzh*, the Beauty Way. Family stories told by Lynda Teller Pete and Barbara Teller Ornelas, fifth generation Navajo weavers who have been weaving since they were young girls, from seven generations of weavers, lend charm and special insights. Characteristic Native American humor is not in short supply. Their contribution to cultural understanding and the preservation of their craft is priceless.      *Tapestry Weaving* Nancy Harvey, 2022-04-06 It's easy to learn tapestry weaving from start to finish with Nancy Harvey, one of America's best known teachers of this exciting craft.
