Seducing My Ex-Mate's Lycan (Part I) T.H.Jessica, Patience left her position as the top Gamma to be a Luna for a small wolf pack But all she got from him was this Patience how can you compare to Hazel He said Hazel s the Alpha s daughter She didn t just sit back and enjoy the perks She became a pilot You re just a secretary His friends and the other wolves looked down on her too They made fun of her But they had no idea that she used to be the strongest werewolf warrior in the Lycan Legion She used to fly fighter jets and was once the best in the country The day she went to the royal legion to collect her parents belongings he was at the hospital with Hazel s mom for a minor injury Patience was heartbroken She decided to divorce him It was then that Kelsey found out that his ex partner was once the strongest werewolf warrior in the Lycan Legion Later Sylus the Alpha of the Mandrake wolf pack and the son of the Lycan King stood by her side His eyes were red Alpha Sylus wrapped his arm around Patience s waist Patience you re mine If you go back to your ex I ll kill him on the spot *1G -6T Part - 1* James Phillips,2010-08-04 A young guy from a poor projects local authority housing estate is clever and attends a top school college and is offered at 18 years old a job as an air force jet pilot officer However due to defence budget cuts he is transferred to an endemic corrupt non performing Police Service and then he has to come to terms with this corruption which is the opposite to being an air force pilot officer and gentleman He is in love with his council estate princess and their love endures to eternity as part of this book and the trilogy s love story He gets promoted to sergeant by his clever policing and is offered a university course in Criminology as an experiment by The Government to cut out endemic corruption in the police to make them more professional He is awarded a bravery medal for risking his life and thereby scaring his darling fiancée He meets a millionaire at a BBQ and they become friends The book ends with him on holiday in Barbados at his villa given to him by the millionaire **Illuminati Bible of Divine Light: Part one** Sorin Cerin,2021-07-10 With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means

Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn t I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism Sorin Cerin
