

My Dream House Essay For Class 1

My dream house is a place where I wish to live with my parents and siblings.

It should be a two-bedroom cottage on the ground floor.

The house should have a spacious veranda which is attached to the drawing-cum-dining hall.

It should have a huge kitchen and two bathrooms which are attached to the bedrooms.

My dream house should be built of bricks, cement, marbles and tiles with all modern amenities.

All the rooms of my house should be airy and well-ventilated with huge bow windows.

The walls in my home should be light yellow in colour which should give a bright look to the interiors.

There should be a beautiful view of a playground and park from the balcony.

My house should be surrounded by a small garden outside with trees, small plants and flowers in it.

My sweet home should be an ideal place where I should feel secure and comfortable to stay there.

Scott Olsen,1999 Perhaps nothing is more complicated than an honest answer to a simple question Where do you live Most of us respond with our postal address but we know that where we feel a sense of home isn't necessarily where

we pick up the mail We give our address perhaps describe our city or neighborhood but we know that the truer answer would be a much longer story the story of where we live now and of all the places we have lived and visited the story of where we dwell When We Say We re Home explores that more complete and satisfying story of dwelling of home and the desire for home in its larger and distinctly American context as a complex and subtle interplay between rooted ness and dislocation The four essayists in this remarkable quartet reside in disparate geographical locations and the details of their personal experiences are as varied as their landscapes Yet in their stories of raising families of building and demolishing homes of leaving husbands and losing parents of surviving earthquakes and floods of watching light shift and storms progress across familiar and unfamiliar horizons we recognize the congruencies at the core of our own arrivals and departures celebrations and losses We understand that the possibility of dwelling is more than a nostalgic devotion to a single place it is a daily practice of awareness and participation a composition of every place and all experience *Esquire* ,1985 **Billboard Music Week** ,1908 **The Dream Is Over:The Dream Is Over** Keith Badman,2001 A comprehensive chronology of the lives of the Beatles from 1970 right up to the present day Full of rare interviews from obscure sources
