**The Pro-Israel Lobby in Europe** Elvira King, 2016-03-02 The activities of pro Israel pressure groups and lobbyists in the US are well known But the pro Israel lobby in Europe is less prominent in both academic and media accounts In a unique account Elvira King identifies the pro Israeli groups which attempt to influence policy makers and implementers in the EU specifically examining Christian Zionist groups Through a detailed study of the European Coalition for Israel ECI the only Christian Zionist lobby in Brussels Elvira King analyses whether and how a religious group can and can fail to influence decision makers in the EU By exploring the context of European relations with Israel as well as the mechanisms through which pressure groups are able to influence EU wide policies King offers an analysis which demonstrates how the EU can be a site where religion and politics meet rather than just being a secular institution It therefore contains vital primary research for both those interested in the pro Israel lobby as well as those examining the role of religion in politics more generally
