## IMPORTANT NOTICE

This manual has been prepared for the use of authorized YAMAHA Retailers and their service personnel. It has been assumed that basic service procedures inherent in the industry, and more specifically YAMAHA Products, are already known and understood by the user, and items otherwise are herein stated.

**WARNING:** Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Dealer or the appointed service representative.

**IMPORTANT:** The provisions or rules of this manual to any individual or firm does not constitute authorization, certification, or recognition of any applicable technical capabilities, or establish a principal agent relationship of any form.

The data provided is believed to be accurate and applicable to the model indicated on the cover. The research, engineering, and service departments of YAMAHA are continually striving to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to notify. Should any discrepancy appear to exist, please contact the Distributor's Service Division.

**WARNING:** Static discharges can destroy expensive components. Discharge any static electricity from your body may have accumulated by grounding yourself to the ground line in the unit before you begin work. Do not touch the main board.

**IMPORTANT:** Turn the unit OFF during disassembly and part replacement. Recheck all work before you apply power to the unit.
