S. Herbert, 1973-07-19 Comments on the oracles of a prophet who lived in the closing half of the 8th century B C and whose interest in contemporary politics and international affairs was the product of his faith in the Holy God who rules in and over all history **The Book of the Prophet Isaiah** John Skinner, 1900 The Book of the Prophet Isaiah, Chapters I.-XXXIX. Ironside, 2015-06-17 Unbelief finds difficulties where faith bows with adoring reverence As I write not for skeptics but for those who truly know Christ whose sufferings and glories Isaiah foretold I shall pay but slight attention to the objections of those unbelieving natural men albeit distinguished in the world of letters and in the Christless religious circles of the day Many professing Christians pay

little or no attention to the prophetic word but in neglecting that which formed so large a part of the Holy Scriptures they wrong their own souls and dishonor Him who gave His Word for our edification and comfort The real value of prophecy is that it occupies us with a Person not merely with events That Person is our Lord Jesus Christ who came once to suffer and is coming again to reign Of both these advents Isaiah treats and that In a way more plain and full than do any of the other Old Testament seers *The Vision of the Prophet Isaiah* A. Joseph Everson,2019-02-27 Come let us walk in the light of the Lord Isaiah s words are deeply loved by many who attend Sunday services But how many can say that they have actually read this book This commentary invites you to read Isaiah from the era when it reached its sixty six chapter form and came to be part of Israel s sacred writings Three memories helped to give shape to the Isaiah scroll The first memory is of the destruction of Jerusalem in 587 BCE How could God have allowed that to happen The opening section of the scroll addresses that question The second memory involves the fall of Babylon after 562 BCE People nations and even empires rise and fall The second section of the scroll addresses war and the sorrows of war The third memory is of Cyrus of Persia who allowed the exiles to return home after 539 BCE His actions are presupposed not just in the joyful poetry of the latter chapters of the scroll but also in the confidence in God s love that runs through the entire scroll God is the Lord of all nations and of all creation Isaiah is a theological interpretation of past history It is a passionate call for people to live with integrity compassion and hope

Isaiah Among The Ancient Near Eastern Prophets Matthijs J.
