

# Parent Homework

September 2, 2017

Dear Parents and Guardians:

No one knows your child better than you do. As a parent, your perception of my student is a valuable resource. The more I know and understand about your child, the more effective I can be as a teacher.

I would appreciate your participation in a "parent homework assignment" that will be of great value to me. Sometime in the next week, please write me a letter introducing your child.

You might want to include a brief biography, problems, special abilities, fears, strengths, weaknesses, and past school experiences. You might also want to tell me about your expectations for this school year: from me, your child, and the school. Include any information that you want me to keep in mind while I work with your child.

I am looking forward to reading your letters and will respond to any issues and/or concerns during the fall conferences. Thank you for taking part in this important assignment. All letters will be kept confidential.

Respectfully,  
Melissa Tallman  
Due Date: Friday, September 24th.

P.S. This "assignment" may also be emailed to me at [GotToTeach@icloud.com](mailto:GotToTeach@icloud.com)
