Microsoft Office 20lessons For Middle School:

Source.Fall.2010 , Computer Education for Teachers Vicki F. Sharp,2008-11-03 Computer Education for Teachers Integrating Technology into Classroom Teaching is designed to introduce future teachers to computer technology in a meaningful practical fashion It is written for undergraduate and graduate students who want an up to date readable practical concise introduction to computers for teachers **The Perfect Blend** Michele Eaton,2020 Many blended learning

initiatives start from the top down and are designed for specific populations or make drastic changes to a school s learning structure But any K 12 classroom teacher can find ways to leverage blended learning within the four walls of their classroom regardless of the constructs of their learning environment All they need is a willingness to rethink their role in the classroom moving from content deliverer to architect of learning In The Perfect Blend you ll learn how to create a homemade recipe for effective blended learning within your classroom Rather than focusing on finding and implementing a specific established model author Michele Eaton shows teachers how to embrace the flexibility of blended learning to take an active role as a designer of learning in the classroom and in the process helping students find their voices as advocates for their education
