Microw Wave White Sauce Recipe:

From Tea Cakes to Tamales Nola McKey, 2016-05-20 Join journalist turned culinary historian Nola McKey on a Texas journey as she explores the state's foodways through heirloom recipes. In this collection of more than one hundred third generation and older recipes Texans share not only the delicious dishes they inherited from their ancestors but the stories and traditions that accompany them. With a strong focus on Texas cultural diversity recipes include Norwegian rosettes Italian pizzelle Czech sauerkraut Chinese fried rice Mexican caldo Wendish noodles and African American purple hull peas. McKey documents the culinary impact of ethnic groups from around the globe. But this book is not for foodies alone; history enthusiasts will appreciate the snapshots of daily Texas life captured in the narratives accompanying recipes that span more than a century. Told primarily in the words of today's cooks, these multigenerational family recollections can take anyone on a trip down memory lane back to a beloved grandmother's kitchen or a great aunt's holiday table. Additionally, McKey provides tips for preserving your own family recipes and for recording the heritage surrounding a special dish. She also includes recommendations for festivals and museums where readers can learn more about Texas foods and cultures. Illustrated with family photos and original watercolors by Cora McKown. *From Tea Cakes to Tamales Third Generation Texas Recipes* will itself quickly become a Texas family heirloom.

Cooking for the Freezer Julia Orbe, 2012-12-11 The frenetic speed and rigours of today's lifestyle mean that we have little time and even less energy at the end of each day to cook a full on nutritious meal for ourselves and our loved ones. *Cooking for the Freezer* contains healthy wholesome meals that can be made in quantity in advance and then simply frozen for use later. Each of the 78 recipes is accompanied by advice on cooking in bulk and freezing and a handy table indicates which meals are suitable for diabetics and wheat and gluten intolerant individuals. *Cooking for the Freezer* caters to a wide spectrum of people from school leavers and newly weds to busy moms, single parents, domestic workers or people simply conscious of saving time, money, electricity and water. The recipes, which cover beef, chicken, pork, lamb and vegetarian dishes, are easy to follow, quick to make and all the ingredients are freely available.

Traditional South African Cooking Magdaleen van Wyk, Pat Barton, 2014-08-14 Anyone who longs for a beloved grandmother's famous milk tart or melkkos or a great aunt's delicious bobotie or vetkoek should have this book in his or her kitchen. *Traditional South African Cooking* is a collection of well known South African recipes that will enable the modern cook to continue the tradition and produce the same delicious meals that our ancestors used to enjoy. South African cuisine is a unique blend of the culinary art of many different cultures: Dutch, French, German and British settlers as well as the Malays who came from the East, all brought their own recipes to this country. The subtle adaptation of these imported recipes by the addition of local ingredients and the introduction of innovative at the time cooking methods resulted in an original and much loved cuisine. This book also features interesting snippets about our forebears' way of life.
