It is the seal of its inviolable authority which the nation by this admirable application of the fundamental law itself affixes on the Constitution to render it sacred and inviolable. Amid the profound silence of the nine hundred representatives of whom almost the entire number was assembled the President of the National Constituent Assembly Armand Marrast rose and said In the name of the French people Whereas Citizen Charles Louis Napoleon Bonaparte born at Paris fulfils the conditions of eligibility prescribed by Article 44 of the Constitution Whereas in the ballot cast throughout the extent of the territory of the Republic for the election

of President he has received an absolute majority of votes By virtue of Articles 47 and 48 of the Constitution the National Assembly proclaims him President of the Republic from this present day until the second Sunday in May 1852 **Napoleon the Little** Victor Hugo,2018-05-05 Leopold is delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff This means that we have checked every single page in every title making it highly unlikely that any material imperfections such as poor picture quality blurred or missing text remain When our staff observed such imperfections in the original work these have either been repaired or the title has been excluded from the Leopold Classic Library catalogue As part of our on going commitment to delivering value to the reader within the book we have also provided you with a link to a website where you may download a digital version of this work for free Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **Napoleon the Little** Виктор Мари Гюго,2021-03-16 **Napoleon the Little** Victor Hugo,2021-08-18 Napoleon the little From Victor Hugo *The Works of Victor Hugo ...: Napoleon the little* Victor Hugo,1909 **Napoleon Le Petit** Victor Hugo,2015-06-15 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that everyone can enjoy them **Napoleon the Little** ,1852 **Napoleon the Little - Scholar's Choice Edition** Victor Hugo,2015-02-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United
