There are many books dealing with the Subject of Salat in both Arabic and Urdu Many of these books are well written and provide an informative and comprehensive view of how Salat should be performed according to the teachings of Prophet Muhammad S W S Unfortunately there are very few books in English which deal with the subject in the same informative and comprehensive way Because of these weaknesses in existing literature in English we felt that the need existed to produce a medium sized book on Salat which would approach the subject according to the teachings of the Prophet Muhammad S W S The Prophet himself said Pray as you have seen me praying During our research we sometimes found that differences occurred between established practices in various prayer books In these circumstances we referred to authentic hadiths of the Prophet Muhammad S W S so that the points could be clarified as much as possible This was because for a true Muslim there is no greater proof for settling arguments than authentic hadiths and practices of Prophet Muhammad S W S We hope that Allah will accept this humble attempt because without His support and help we would never have been able to do this work Finally we ask all our Muslim brothers and sisters to study the text and to strive to pray according to it As you ll not aware that many sites are asking for money in I have made this book free to all countries and in return I m asking for you to remember me in your prayer It was also mentioned by Dr Zakir Naik in one of his speech that the best book to recommend is this book watch in video [http://www.youtube.com/watch?v=L\\_xTrig2XEE](http://www.youtube.com/watch?v=L_xTrig2XEE) Thanks to all for downloading and making better use of this book It gives immense pleasure to announce that A Guide to Salat Prayer in Islam is downloaded in most of country Presenting name of top 3 countries where this book is downloaded the most SG Singapore 5755 US United States 2112 GB United Kingdom 1026 Thanks to All Remember me and an author in your prayers      *Islamic Daily Prayers* Mohammed Suleiman,2025-10-21 Transform your daily prayers into moments of calm connection and clarity In *Islamic Daily Prayers* Mohammed Suleiman provides a complete step by step guide for anyone seeking to strengthen their Salah and find mindfulness through worship Whether you re new to prayer or seeking to reconnect with Allah this book teaches you how to perform Salah correctly while deepening its spiritual meaning The included 5 Day Salah Practice Plan helps you build consistency focus and serenity in your prayers without pressure or confusion Inside You ll Learn The correct steps of each prayer and their meanings How to maintain khushu focus during Salah Common mistakes and how to fix them A guided 5 day mindfulness challenge to transform your routine Beautifully written and spiritually uplifting this book reminds every believer that prayer is not just an act it s a lifeline to peace Islamic prayer for beginners salah guide how to pray in islam mindfulness in islam muslim spirituality daily salah practice      **Salah Guide** MUFTI ASHGAR.
