Flow

Flow

The word 'Flow' is a common term used to describe a state of mind or a process. It is often used to describe a state of mind where one is fully engaged in a task or activity, and the time seems to pass without notice. This state of mind is often associated with a sense of flow, where the individual is in a state of balance and harmony with the task at hand. The word 'Flow' is also used to describe a process, such as a workflow or a process flow, where the steps are connected and the process is efficient and effective.
