Making Practice Fun 94:

Successful Coaching Rainer Martens, 2012-02-17 As America's best selling coaching text *Successful Coaching* has helped over a million coaches develop their coaching philosophies improve their communication teaching and management skills and understand their responsibilities as a coach The updated fourth edition of *Successful Coaching* offers students as well as new and veteran coaches a comprehensive guide to every aspect of coaching Written by Rainer Martens a respected and renowned sport psychologist longtime coach and lifelong competitive athlete *Successful Coaching Fourth Edition* details the principles knowledge and skills that will help coaches build a foundation for their decisions and actions Working through the text coaches will define their philosophy identify their objectives and determine their coaching style Next coaches will learn how to become skilled communicators and motivators by applying psychological principles and recommendations for positive management of athletes behavior Knowing the skills required for each sport is as important as knowing how to teach and shape those skills With *Successful Coaching* coaches will become more effective instructors as they learn the games approach to teaching technical and tactical skills a proven method of helping athletes become smart tactical players of their sports *Successful Coaching* also discusses the team management responsibilities of the coach and details how to manage relationships with athletes other coaches administrators medical personnel officials parents and the media Also addressed are the legal responsibilities of a coach and strategies for reducing risk Readers will find the latest research in the fields of physical training and nutrition including new information on creatine energy drinks caffeine and hydration *Successful Coaching* also provides a straightforward discussion of drug abuse among athletes offering all new content on methamphetamines prescription drug abuse and drug testing recommendations Sidebars provide focused insights on a range of coaching topics and offer personal encouragement and advice for coaches throughout the season In addition quotes from well known coaches provide perspective on what it takes to be a successful coach Reflection questions at the end of each chapter encourage readers to think critically about the content and apply it to their own current or future coaching situations For course adopters *Successful Coaching* also includes online access to a full set of instructor resources including an instructor guide image bank and test package A dedicated website also includes customizable and reproducible forms Access to the electronic forms and additional online resources are referenced throughout the text Written by a coach for coaches *Successful Coaching* blends the latest research and accepted practices in the sport sciences with practical advice from seasoned coaching veterans *Successful Coaching* helps readers think critically about their motivation for being a coach and establish a coaching philosophy and style that pave the way for a fulfilling sport experience for coaches and their athletes The fourth edition of *Successful Coaching* has been carefully revised to meet or exceed the guidelines of the National Council for Accreditation for Coaching Education and the recommendations of the National Standards for Sport Coaches *Successful Coaching* is the primary text for the Coaching Principles online or classroom course offered by the American Sport Education

Program ASEP Coaching Principles is a part of ASEP's Bronze Level coaching certification a three step certification involving coursework essential for coaching any sport teaching sport first aid and conveying advanced sport specific knowledge

Everyday Mathematics for Parents The University of Chicago School Mathematics Project, 2017-07-10 The Everyday Mathematics EM program was developed by the University of Chicago School Mathematics Project UCSMP and is now used in more than 185 000 classrooms by almost three million students Its research based learning delivers the kinds of results that all school districts aspire to Yet despite that tremendous success EM often leaves parents perplexed Learning is accomplished not through rote memorization but by actually engaging in real life math tasks The curriculum isn't linear but rather spirals back and forth weaving concepts in and out of lessons that build overall understanding and long term retention It's no wonder that many parents have difficulty navigating this innovative mathematical and pedagogic terrain Now help is here Inspired by UCSMP's firsthand experiences with parents and teachers Everyday Mathematics for Parents will equip parents with an understanding of EM and enable them to help their children with homework the heart of the great parental adventure of ensuring that children become mathematically proficient Featuring accessible explanations of the research based philosophy and design of the program and insights into the strengths of EM this little book provides the big picture information that parents need Clear descriptions of how and why this approach is different are paired with illustrative tables that underscore the unique attributes of EM Detailed guidance for assisting students with homework includes explanations of the key EM concepts that underlie each assignment Resources for helping students practice math more at home also provide an understanding of the long term utility of EM Easy to use yet jam packed with knowledge and helpful tips Everyday Mathematics for Parents will become a pocket mentor to parents and teachers new to EM who are ready to step up and help children succeed With this book in hand you'll finally understand that while this may not be the way that you learned math it's actually much better

Early Gifts Paula Olszewski-Kubilius, Lisa Limburg-Weber, Steven Pfeiffer, 2003 Most parents suspect at one time or another that their child is showing signs of above average ability in some area But determining what to do next can be difficult This practical resource offers solid advice and guidance for parents of gifted children including suggestions for both school and home environments Educational Resource

Bright Kids Who Couldn't Care Less Ellen Braaten, 2023-03-31 Keywords unmotivated underachieving underachievers underperforming children parenting self help lazy teens adolescents parents guide psychology how to get my child to work harder anxiety depression ADHD hates school not interested in anything Description He's so smart but he's no longer interested in school or any offline activities She used to love sports but now she just mopes around My kid has turned into such a slacker Over the course of her 25 year career psychologist and learning expert Ellen Braaten has begun to notice a trend More and more parents are coming to her because their kids couldn't care less about anything How do bright motivated young children become such unmotivated older kids and teens and what can parents do about it In this warm and encouraging guide Dr Braaten explains that kids who have

lost the will to do anything other than play video games need more than simple encouragement or the right school teacher or coach to get back on track Instead Dr Braaten helps parents understand the myriad biological emotional cognitive and social factors that affect motivation and build a plan to boost their child s confidence incentive to learn and engagement in life

Thrivers Michele Borba, Ed. D.,2022-03-08 The bestselling author of UnSelfie offers 7 teachable traits that will safeguard our kids for the future We think we have to push our kids to do more achieve more BE more But we re modeling the wrong traits like rule following and caution and research shows it s NOT working This kind of Striver mindset isn t just making kids unhappier says Dr Michele Borba it s actually the opposite of what it takes to thrive in the uncertain world ahead Thrivers are different they flourish in our fast paced digital driven often uncertain world Why Through her in depth research Dr Borba discovered that the difference comes down not to grades or test scores but to seven character traits that set Thrivers apart confidence empathy self control integrity curiosity perseverance and optimism The even better news these traits can be taught to children at any age in fact parents and educators must do so In Thrivers Dr Borba offers practical actionable ways to develop these traits in children from preschool through high school showing how to teach kids how to cope today so they can thrive tomorrow El-Hi Textbooks & Serials in Print, 2005 ,2005 **Lessons from the Diamond**

R. McKenzie Fisher,1995 Rita McKenzie Fisher scores her own triple double with riveting stories thrilling statistics and solid life lessons This book doesn t exclude any group but rather in 30 stories focuses on the joy that players give fans and vice versa 101 Secrets of a High-performance Dental Practice Robert P.
