 Sarj,2013-01-30 In my 433 page book I explain that all cultures can learn from each other and my goal is to help people on
 each side of this cultural interaction because I have experienced the complexities and misunderstandings of cultural
 differences and sensitivities insensitivities and I want to help bridge the gaps between cultures I know that it is necessary for
 international students parents host families migrants and refugees to prepare themselves well before they live in another
 culture because I remember what I had to experience when I moved from the East to live in the West many years ago Let me
 share with you some of my experiences as a traveler and Homestay mother Some of my stories are funny and some are sad
 but they are all very relevant to the realities of this experience that we all call life I have learnt that it is inevitable that
 people will change as a direct result of cultural interaction and exchange and that is why I have referred to this two way
