

You may think you know knife fighting theory through books, magazines, and martial arts training, but unless you've actually been in a knife fight, it's all theory!

The knife fighting techniques in *Put 'Em Down, Take 'Em Out* were developed in one of the most violent environments on Earth—inside Folsom Prison. They are techniques that go far beyond what you will encounter on the streets.

In brief and simple language, this book explains the difference between knife fighting fantasy and knife fighting reality. Chapters include:

- **THE BASICS OF KNIFE FIGHTING.** The realistic aspects of knife defense and attack, unknown by those who have never been in a knife fight.
- **KNIFE FIGHTING MYTHS.** Ludicrous knife fighting techniques perpetuated on TV and in the movies, as well as the absurd (and even dangerous) methods taught by martial art instructors.
- **TRAINING.** Direct, no-nonsense training methods that will maximize your chances of survival and success in a knife fight.

The majority of knife fighting "experts" out there are writers, not fighters—the battles they engage in take place on paper! With *Put 'Em Down, Take 'Em Out*, you will learn the facts from a man who has been there and back, to help you deal with one of the deadliest encounters you will ever face on the streets.

THE KA-BAR KNIFE COMBAT MANUAL James Loriega, 2020-04-02 The United States Marine Corps does not have this manual or any manual on the combat use of the Ka Bar knife This however is not because they lack a structured knife combat method for training new recruits or because the method is in any way secret or classified They have a structured method and it s not secret or classified They just don t teach from a manual Why Simply because Marine Combat Instructors have their knife combat method internalized They can teach it in their sleep they can use the knife without even waking up and they want Marine recruits to know this method in the same manner Not to learn it to internalize it To own it Because they won t have a manual with them when they need this knowledge to save their lives Learn what they already know *Basic Manual Of Knife Fighting* William L.
