

## PSYCHIC PRANIC ENERGY HEALING LEVEL 3 - COURSE MANUAL

*Made In Africa Investments - Copyrighted ©2024 Pranic Energy Healing Africa*

Psychic Pranic Energy Healing gives proper knowledge and techniques to deal with psychological issues including stress, depression and anger. It provides the ability to control the mind and the emotions.

Psychological ailments are basically the result of accumulation of negative thoughts, emotions and traumatic experiences, which are lodged in the aura and chakras. Releasing such energies normally requires months or years of traditional psychotherapy consultation sessions, while with Psychic Pranic Energy Healing becomes a faster process. The result will be peaceful emotions, harmonizing relationships, positive thinking patterns and good self-esteem.

Pranic energy healing level 3 provides a practitioner with the ability to understand more about the emotional and mental aspects of their clients and themselves, how they feel and how they think, and how these emotions affect their lives in positive or negative ways. Emotions are closely related to the state of our health and vitality.

In this course stress, irritation, the inability to see clearly in difficult situations, and the way a person's subconscious emotions are acted out in their daily lives are examined from the energy perspective.

When we are dominated by these negative energies, frequently we lack vitality, and we may exhibit ill health, confusion, and a general sense of being overwhelmed. The course provides practical techniques to release these negative energies and restore balance and vitality.
