The History of Freemasonry in Canada John Ross Robertson,1900 **The history of freemasonry in Canada, from its introduction in 1749** John Ross Robertson,1900 *Canadian Poultry News* ,1910 **Who's who in Finance, Banking, and Insurance** ,1922 **Who's who in Finance** ,1911 **Canadian Maps, 1955-1956** Canada. Geographical Branch,1958 **The History of Canada: Canada under British rule** William Kingsford,1898 *When the Other is Me* Emma LaRocque,2011-03-10 In this long awaited book from one of the most recognized and respected scholars in Native Studies today Emma LaRocque presents a powerful interdisciplinary study of the Native literary response to racist writing in the Canadian historical and literary record from 1850 to 1990 In *When the Other is Me* LaRocque brings a metacritical approach to Native writing situating it as resistance literature within and outside the postcolonial intellectual context She outlines the overwhelming evidence of dehumanization in Canadian historical and literary writing its effects on both popular culture and Canadian intellectual development and Native and non Native intellectual responses to it in light of the interlayered mix of romanticism exaggeration of Native difference and the continuing problem of internalization that challenges our understanding of the colonizer colonized relationship **The Canadian Parliamentary Guide** ,1919
Annual Report of the Receipts and Expenditures of the City of Concord Concord (N.H.),1897 **Who's who in Canada** Charles Whately Parker,Barnet M. Greene,1922 *The Canadian Parliamentary Companion* ,1916 *Canadian Poultry Journal* ,1924 **Bookseller & Stationer and Office Equipment Journal** ,1921 Who's who in Finance, Banking and Insurance John William Leonard,1911 **The Canadian Encyclopedia** James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless

corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

The Oxford Illustrated Literary Guide to Canada Albert Frank Moritz, Theresa Anne Moritz, 1987 This lavishly illustrated volume takes readers on a captivating tour of the Canadian literary landscape Visiting some 500 locations across Canada from Newfoundland to British Columbia to the Northwest Territories we see writers plying their craft in small unlikely places and in large urban centers and visit the sites that have made literary history Albert and Theresa Moritz have devoted years to this project combing archives government documents newspapers and biographies and have consulted many leading authors literary scholars and local historians The result is an unusually detailed volume sprinkled with anecdotes and surprising information They describe the accident that led to the publication of Stephen Leacock's first book which set him on the road to fame reveal how Hugh MacLennan escaped injury in the Halifax explosion of 1917 and visit the burial place of the dog that inspired Marshall Saunders's Beautiful Joe The authors provide much detailed information including the exact addresses of the homes of famous authors and of other important sites that direct you to places you wish to visit An indispensable guide when traveling in Canada this fascinating book will deepen your understanding and appreciation of Canadian literary history

The Canadian Magazine, 1913 Beothuk Christopher Patrick Aylward, 2024-09-15 The well known story of the Beothuk is that they were an isolated people who through conflict with Newfoundland settlers and Mi kmaq were made extinct in 1829 Narratives about the disappearance of the Beothuk and

the reasons for their supposed extinction soon became entrenched in historical accounts and the popular imagination Beothuk explores how the history of a people has been misrepresented by the stories of outsiders writing to serve their own interests from Viking sagas to the accounts of European explorers to the work of early twentieth century anthropologists Drawing on narrative theory and the philosophy of history Christopher Aylward lays bare the limitations of the accepted Beothuk story which perpetuated but could never prove the notion of Beothuk extinction Only with the integration of Indigenous perspectives beginning in the 1920s was this accepted story seriously questioned With the accumulation of new sources and methods archaeological evidence previously unexplored British and French accounts Mi kmaq oral history and the testimonies of Labrador Innu and Beothuk descendants a new historical reality has emerged Rigorous and compelling Beothuk demonstrates the enduring power of stories to shape our understanding of the past and the impossibility of writing Indigenous history without Indigenous storytellers *The Canadian Horticulturist* ,1907
