personnes publiques Pierre-Adrien Blanchet, 2020-10-06 Depuis une dizaine d'années les personnes publiques prennent conscience du potentiel économique que représente leur patrimoine immatériel. Il présente une grande diversité dans sa composition et comprend ainsi des éléments non appropriés, des fréquences hertziennes, des données publiques, l'image des biens et des éléments appropriés, brevets, marques, actions qualifiables de propriétés publiques immatérielles. Les personnes publiques doivent trouver un équilibre entre différents impératifs dans leur valorisation. Elles doivent pouvoir en tirer de nouvelles ressources financières tout en en assurant une protection adéquate. Cet ouvrage traite des régimes juridiques qui permettent d'en assurer une valorisation optimale. *International Law: New Actors, New Concepts - Continuing Dilemmas* Budislav Vukas, Trpimir Susic, 2010-04-06 The Liber Amicorum is published on the occasion of the retirement of Professor Božidar Bakoti from the University of Zagreb Faculty of Law after an impressive career that started in 1961. His colleagues and former students have contributed to this collection of essays dealing with a variety of topics in the fields of international law which Professor Bakoti himself has been most active in. Therefore the majority of essays deal with the subjects of international law: the various international regimes of spaces, the international protection of human rights and humanitarian law, the settlement of international disputes and the law of armed conflicts. Notwithstanding the specific international developments over the last twenty years in the geographic area where Professor Bakoti has served Southeastern Europe, all the authors of the contributions to this Liber Amicorum have dealt with their topics at the level of general international law. The book comprises 32 essays from scholars who had close relations with Professor Bakoti in the course of his career at the Zagreb Faculty of Law, in various other law schools and international organisations, in the International Law Association in the Croatian Ministry of Foreign Affairs and its Diplomatic Academy. The majority of essays are in English and six are in French. **Traité de droit commercial maritime** Julien Bonnecase, 1923 Revue du droit public et de la science politique en France et à l'étranger, 1899 **Traité théorique et pratique de droit civil** Gabriel Baudry-Lacantinerie, 1926 **Mémoires de la Société géologique de France** Société géologique de France, 1994
