Vaincre ses monstres intérieurs Ariane Bilheran,2023-02-21

Au fil de sa vie chacun est invité à accomplir ses travaux d'Hercule, combattre ses propres démons, affronter sa part d'ombre. Grâce à une approche originale et inédite, cet ouvrage explore le psychisme humain en décryptant des récits de monstres tirés de la mythologie grecque. Ces légendes mettent en relief des difficultés et des moments de vie auxquels nous sommes tous confrontés. Au cœur d'un récit captivant, leur analyse structurée vous permettra d'en tirer un enseignement psychologique et spirituel. Chaque histoire vous offrira une leçon à retenir pour une mise en pratique concrète au quotidien. Apprenez à vaincre vos monstres intérieurs en devenant votre propre héros. Ariane Bilheran, normalienne, Ulm, est philosophe, psychologue, clinicienne, docteur en psychopathologie, consultante et auteure d'essais, de sociologie, de livres universitaires de psychologie et de philosophie, de romans et de poésie. Elle est passionnée de latin et de grec, de littérature de piano et de plantes médicinales. **Patrick Modiano**, 2007-01-01. While his preoccupation with the period of the Occupation remains a permanent theme, Patrick Modiano is increasingly interested in the exploration of time and memory and the attendant problem of reconstituting the past. This volume explores all these features. It casts new light on Modiano's earliest novels, examines afresh his more recent work, including his stories for children, situates it in the context of contemporary writing, and unravels the intricacies and subtleties of his style. It underlines Modiano's position as one of France's major writers of the twentieth and twenty-first centuries and will be of interest to all who are interested in the modern French novel and the complex interactions between fiction and history. *L'Odyssée - Tome 02* Luc Ferry, Didier Poli, Clotilde Bruneau, Giuseppe Baiguera, 2019-09-04. Le voyage d'Ulysse continue. Après avoir affronté et vaincu le redoutable Polyphème, Ulysse et les siens poursuivent leur voyage pour Ithaque. Mais le pire est peut-être encore devant eux. Prochaine étape : le des Lestrygons, un peuple de géants féroces et anthropophages. L'Odyssée d'Homère est le récit initiatique par excellence. Un conte à la fois effrayant et fabuleux qui confronte un héros lui-même et au monde qui l'entoure. Ce voyage d'Ulysse qui va durer dix ans est une nouvelle fois l'occasion de retrouver quelques-uns des thèmes fondateurs de la mythologie et de la philosophie grecque : commencer par la recherche du bonheur et de l'harmonie.
