Matto Regiert Wachtmeister Studer German Edition:

Contemporary German Crime Fiction Thomas W. Kniesche, 2019-10-21 A companion to contemporary German crime fiction for English speaking audiences is overdue Starting with the earlier Swiss classics Glauser and Drennemann and including a number of important Austrian authors such as Wolf Haas and Heinrich Steinmetz this volume will cover the essential writers genres and themes of crime fiction written in German Where necessary and appropriate crime fiction in media other than writing TV series movies will be included Contemporary social and political developments such as gender issues life in a multicultural society and the afterlife of German fascism today play a crucial role in much of recent German crime fiction A number of contributions to this volume will comment on the literary reflection of these issues in the texts The goal of the volume is to make available to English speaking audiences to students teachers and to a wider circle of interested readers a series of articles on genres topics authors and texts that will help them understand the scope and depth of German crime fiction its ties to international traditions and also the specificity of the German context its historical development and contemporary situation

The Redemption of Things Samuel Frederick, 2022-01-15 Collecting is usually understood as an activity that bestows permanence unity and meaning on otherwise scattered and ephemeral objects In *The Redemption of Things* Samuel Frederick emphasizes that to collect things however always entails displacing immobilizing and potentially disfiguring them too He argues that the dispersal of objects seemingly antithetical to the collector's task is essential to the logic of gathering and preservation Through analyses of collecting as a dialectical process of preservation and loss *The Redemption of Things* illustrates this paradox by focusing on objects that challenge notions of collectability ephemera detritus and trivialities such as moss junk paper scraps dust scent and the transitory moment In meticulous close readings of works by Gotthelf Stifter Keller Rilke Glauser and Frisch and by examining an experimental film by Oskar Fischinger Frederick reveals how the difficulties posed by these fleeting fragile and forsaken objects help to reconceptualize collecting as a poetic activity that makes the world of scattered things uniquely palpable and knowable

The Concise Cinegraph Hans-Michael Bock, Tim Bergfelder, 2009-09-01 This comprehensive guide is an ideal reference work for film specialists and enthusiasts First published in 1984 but continuously updated ever since CineGraph is the most authoritative and comprehensive encyclopedia on German speaking cinema in the German language This condensed and substantially revised English language edition makes this important resource available to students and researchers for the first time outside its German context It offers a representative historical overview through bio filmographical entries on the main protagonists from the beginnings to the present day Included are directors and actors writers and cameramen composers and production designers film theorists and critics producers and distributors inventors and manufacturers An appendix includes short introductory essays on specific periods and movements such as Early Film Weimar Nazi Cinema DEFA New German Cinema and German film since unification as well as on cinematic developments in Austria and Switzerland Sections that
