The Condition of Primary and Secondary Education in Mpumalanga (1995/1996) Adél Hartley,1998 **Annual Report** Mpumalanga (South Africa). Department of Education,2015 Annual Performance Plan Mpumalanga (South Africa). Department of Education,2016 **This Week in South Africa** ,1995 Reflections on School Integration Mokubung O. Nkomo,Carolyn McKinney,Linda Chisholm,2004 School integration means among other things that the divisions created by apartheid need to be addressed systematically and systemically Integration is not merely about changing the racial demographics of learner and educator bodies It means schools changing to meet the needs of all children fostering meaningful interaction among learners in the classroom on the playground and in extra mural activities as well as instilling a human rights culture It means constructing curricula texts and pedagogies that are informed by a democratic ethos and it requires teachers school managers and communities that are equipped to promote a democratic school environment In short it is about inclusivity and social cohesion And the issue of integration is as pertinent internationally as it is in South Africa questions of race racism citizenship and diversity are central to school systems throughout the world This book contains the proceedings of a colloquium held in October 2003 attended by leading South African and international researchers to take stock of the status quo in school integration and identify new directions research should be taking to support the process of change Questions and Replies of the National Assembly South Africa.
