*Mister Loverman* Bernardine Evaristo, 2014 Originally published in the United Kingdom by Hamish Hamilton Penguin in 2013 Title page verso *MR Loverman: From the Booker Prize-Winning Author of Girl, Woman, Other* Bernardine Evaristo, 2024-09-26 *Mr Loverman* Mary Lyons, 2011-07-15 Jack Wilder had three golden rules 1 Never mix business with pleasure Unfortunately he had broken that one the moment he met Laura Parker The fact that she worked for him was easily fixed 2 Love them and leave them The press didn't call Jack *Mr Loverman* for nothing Laura had fallen for his casual seduction only to find herself sacked for sleeping with the boss 3 Never underestimate the competitions Laura was determined that she wasn't going to be just another notch on Jack's bedpost She wanted revenge Jack Wilder would just have to add another rule to his list that hell had no fury like a woman scorned A special treat for Valentine's Day from the bestselling author of *The Yuletide Bride* and *Dark and Dangerous*

**Late-Life Love** Susan Gubar, 2018-11-13 Winning and intelligent An impressive often heartening addition to the literature of aging Heller McAlpin Wall Street Journal In this unique blend of memoir and literary commentary Bookpage acclaimed author and literary scholar Susan Gubar contemplates the beauty and strength of enduring love both for her husband and for the literature that has shaped her life Throughout the complications of devoted caregiving her own ongoing cancer treatments and a stressful move to a more manageable apartment Gubar proves that love and desire have no expiration date on the page or in life *Late Life Love* offers a resounding retort to ageist stereotypes appraises the obstacles unique to senior couples and celebrates second chances **Handbook of Intermediality** Gabriele Rippl, 2015-07-24 This handbook offers students and researchers compact orientation in their study of intermedial phenomena in Anglophone literary texts and cultures by introducing them to current academic debates theoretical concepts and methodologies By combining theory with text analysis and contextual anchoring it introduces

students and scholars alike to a vast field of research which encompasses concepts such as intermediality multi and plurimediality intermedial reference transmediality ekphrasis as well as related concepts such as visual culture remediation adaptation and multimodality which are all discussed in connection with literary examples Hence each of the 30 contributions spans both a theoretical approach and concrete analysis of literary texts from different centuries and different Anglophone cultures *Domestic Intersections in Contemporary Migration Fiction* Lucinda Newns,2020-01-07 Homing the Metropole presents a new approach to diasporic fiction that reorients postcolonial readings of migration away from processes of displacement and rupture towards those of placement and homemaking While notions of home have frequently been associated with essentialist understandings of nation and race an uncritical investment in tropes of homelessness can prove equally hegemonic By synthesising postcolonial and intersectional feminist theory this work establishes the migrant domestic space as a central location of resistance countering notions of the private sphere as static uncreative and apolitical Through close readings of fiction emerging from the African Caribbean and South Asian diasporas it reassesses our conception of home in light of contemporary realities of globalisation and forced migration providing a valuable critique of the celebration of unfixed subject positions that has been a central tenet of postcolonial studies *The Cambridge History of Black and Asian British Writing* Susheila Nasta,Mark U. Stein,2020-01-16 The Cambridge History of Black and Asian British Writing provides a comprehensive historical overview of the diverse literary traditions impacting on this field s evolution from the eighteenth century to the present Drawing on the expertise of over forty international experts this book gathers innovative scholarship to look forward to new readings and perspectives while also focusing on undervalued writers texts and research areas Creating new pathways to engage with the naming of a field that has often been contested readings of literary texts are interwoven throughout with key political social and material contexts In making visible the diverse influences constituting past and contemporary British literary culture this Cambridge History makes a unique contribution to British Commonwealth postcolonial transnational diasporic and global literary studies serving both as one of the first major reference works to cover four centuries of black and Asian British literary history and as a compass for future scholarship
