Mr Burns Anne Washburn, 2021-09-23 Anne Washburn's downright brilliant play has arrived to leave you dizzy with the scope and dazzle of its ideas The New York Times It's the end of everything in contemporary America A future without power But what will survive Mr Burns asks how the stories we tell make us the people we are explodes the boundaries between pop and high culture and when society has crumbled imagines the future for America's most famous family A delightfully bizarre funny bleak and wonderful play that challenges dramatic form and the nature of theatre as storytelling Published for the first time in Methuen Drama's Modern Classics series this edition features a new introduction by Charlotte Higgins Mr Burns Anne Elizabeth Washburn, 2023 Mr Burns Anne Washburn, 2017 Performances of Anne Washburn's Mr Burns A Post Electric Play performed by the State Theatre Company of South Australia and Belvoir play performed at the Space Theatre lyricist Anne Washburn music composed by Michael Friedman play based on the Simpsons the animated television series play directed by Imara Savage musical direction by Carol Young set and costume design by Jonathan Oxlade choreography by Lucas Jervies fight choreographer Scott Witt cast includes Paula Arundell Mitchell Butel Esther Hannaford Jude Henshall Brent Hill Ezra Juanta and Jacqy Phillips *Words on Plays* Michael Friedman (Composer), Mark Rucker, Nirmala Nataraj, Elizabeth Brodersen, Michael Paller, Shannon Stockwell, 2015 **The depiction of Popular Culture with "The Simpsons" in Anne Washburn's "Mr. Burns, a Post-Electric Play"** Mirja Quix, 2015-07-02 Seminar paper from the year 2014 in the subject English Language and Literature Studies Literature grade 2.0 University of Cologne Englisches Seminar course The London Stage language English abstract A main objective of The Simpsons series seems to be to take every day issues and world events as a part of its stories and to deal with them in a satirical way While it also concerns itself with apparently banal issues like popular movies or bands war politics or nuclear power do not make an exception in the series content Mick Broderick points out that while many episodes ostensibly do not touch on nuclear themes the ever present influence and immanence of the atomic age pervades The Simpsons like a thematic half life whose motifs contaminate the multi layered intertextual narratives of each episode often as satire At this background Anne Washburn's decision to take The Simpsons of all things as the one part of popular culture that survives inside the people's memories throughout a nuclear apocalypse seems even more peculiar and ironic But that's just what happens in Washburn's Mr Burns A post electric play The electric grid is destroyed and people have to adapt to a world without telephones television electric stoves or radiators They have to revert to older ways of engagement like storytelling but instead of higher literature they reminisce about parts of popular culture everyone remembers The following paper therefore will analyse Anne Washburn's play in regard to the way popular culture is represented in her post apocalyptic world Why is it important and why is The Simpsons Washburn's main representative of contemporary popular culture in the play And moreover in which ways does the representational form of popular culture change throughout it **Mr Burns** Anne Washburn, 2021-08-26 Anne Washburn's downright brilliant play
