Mrs Dalloway Virginia Woolf, 1996 London at the end of the First World War basks in the summer heat and Clarissa Mrs Dalloway prepares for one of her charming evening parties Yet as the evening approaches the unexpected arrival from India of her first lover Peter Walsh triggers vivid memories of the past until piece by piece Clarissa brings to the surface the story of her life of childhood dreams and the row so many years ago that precipitated her uneventful marriage She is suddenly and startlingly aware of the force of life going on around her of Septimus Warren Smith

going quietly mad with shell shock of her daughter Elizabeth almost now a woman and of Peter unaltered yet changed as she feels herself to be In Mrs Dalloway Virginia Woolf reveals the differences in the way people think and see and treat one another brilliantly evoking the feel of the time and through the eyes of each character the feel of life itself **Mrs Dalloway - Virginia Woolf** Virginia Woolf,2021-06-15 A revolutionary novel of profound scope and depth about a day in the life of a woman who runs a few errands sees an old suitor and gives a dull party It s a masterpiece created out of the humblest narrative materials Woolf was one of the first writers to understand there are no insignificant lives only inadequate ways of looking at them The New York Times The story follows one day of upper class housewife Clarissa Dalloway s life as she plans and hosts a dinner party at her house Along the way she meets with people from both her past a former suitor whose proposal she rejected and whom she no longer gets along with and her present her distant husband Richard her daughter Elizabeth and her daughter s teacher Miss Kilman whom she despises and who feels the same towards Clarissa Proving herself a master and innovator of the parallel narrative Woolf separately introduces reader to another storyline about a young veteran who was once a poet and a romantic before experiencing the horrors of war and becoming suicidal He is diagnosed with mental illness and is being forced to separate from his wife and go to a mental asylum Written one of the most prolific female authors of the twentieth century this stunning novel is often considered Woolf s magnum opus Enjoy this beautifully rejuvenated edition of Virginia Woolf s Mrs Dalloway **Mrs Dalloway in Bond Street** Virginia Woolf,2021-01-24 In Jacob s Room the novel preceding Mrs Dalloway Virginia Woolf works with many of the same themes she later expands upon in Mrs Dalloway To Mrs Dalloway she added the theme of insanity As Woolf stated I adumbrate here a study of insanity and suicide the world seen by the sane and the insane side by side However even the theme that would lead Woolf to create a double for Clarissa Dalloway can be viewed as a progression of other similar ideas cultivated in Jacob s Room Woolf s next novel then was a natural development from Jacob s Room as well as an expansion of the short stories she wrote before deciding to make Mrs Dalloway into a full novel The Dalloways had been introduced in the novel The Voyage Out but Woolf presented the couple in a harsher light than she did in later years Richard is domineering and pompous Clarissa is dependent and superficial Some of these qualities remain in the characters of Mrs Dalloway but the two generally appear much more reasonable and likeable Clarissa was modeled after a friend of Woolf s named Kitty Maxse whom Woolf thought to be a superficial socialite Though she wanted to comment upon the displeasing social system Woolf found it difficult at times to respond to a character like Clarissa She discovered a greater amount of depth to the character of Clarissa Dalloway in a series of short stories the first of which was titled Mrs Dalloway in Bond Street published in 1923 The story would serve as an experimental first chapter to Mrs Dalloway A great number of similar short stories followed and soon the novel became inevitable As critic Hermione Lee details On 14 October 1922 Woolf recorded that Mrs Dalloway has branched into a book but it was sometime before Woolf could find the necessary balance between design and substance Mrs
