Sanderson,2021-06-24 This is the second half of the epic fantasy novel The Way of Kings Roshar is a world of stone and storms Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilisation alike Animals hide in shells trees pull in branches and grass retracts into the soil less ground Cities are built only where the topography offers shelter It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant but their Shardblades and Shardplate remain mystical swords and suits of armour that transform ordinary men into near invincible warriors Men trade kingdoms for Shardblades Wars were fought for them and won by them One such war rages on a ruined landscape called the Shattered Plains There Kaladin who traded his medical apprenticeship for a spear to protect his little brother has been reduced to slavery In a war that makes no sense where ten armies fight separately against a single foe he struggles to save his men and to fathom the leaders who consider them expendable Brightlord Dalinar Kholin commands one of those other armies Like his brother the late king he is fascinated by an ancient text called The Way of Kings Troubled by over powering visions of ancient times and the Knights Radiant he has begun to doubt his own sanity Across the ocean an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic Dalinar s niece Jasnah Though she genuinely loves learning Shallan s motives are less than pure As she plans a daring theft her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war The result of more than ten years of planning writing and world building The Way of Kings is but the opening movement of The Stormlight Archive a bold masterpiece in the making Speak again the ancient oaths Life before death Strength before weakness Journey before Destination And return to men the Shards they once bore The Knights Radiant must stand again The story continues in The Way of Kings Part Two The Way of Kings Brandon Sanderson,2015-06-11 I loved this book What else is there to say Patrick Rothfuss According to mythology mankind used to live in The Tranquiline Halls Heaven But then the Voidbringers assaulted and captured heaven casting out God and men Men took root on Roshar the world of storms And the Voidbringers followed They came against man ten thousand times To help them cope the Almighty gave men powerful suits of armor and mystical weapons known as Shardblades Led by ten angelic Heralds and ten orders of knights known as Radiants mankind finally won Or so the legends say Today the only remnants of those supposed battles are the Shardblades the possession of which makes a man nearly invincible on the battlefield The entire world is at war with itself and has been for centuries since the Radiants turned against mankind Kings strive to win more Shardblades each secretly wishing to be the one who will

finally unite all of mankind under a single throne On a world scoured down to the rock by terrifying hurricanes that blow through every few day a young spearman forced into the army of a Shardbearer led to war against an enemy he doesn't understand and doesn't really want to fight What happened deep in mankind's past Why did the Radiants turn against mankind and what happened to the magic they used to wield Readers absolutely love The Way of Kings Incredible impressive or fantastic all these words are an understatement to the quality this book holds The Way of Kings is the beginning of a masterpiece series in epic fantasy Novel Notions It's multi POV action packed heartfelt exciting thrilling and I am running out of adjectives Goodreads Reviewer Goodreads reviewer The story is mind blowing the ideas and thoughts create a world that is believable and intriguing A strong tale with a well fleshed out world and multidimensional characters that are easy to care about Goodreads Reviewer Goodreads reviewer The Way of Kings is a huge opening act to The Stormlight Archive which took every single one of these elements of a good fantasy story and elevated the art of storytelling to a different league Goodreads reviewer Brandon Sanderson is probably the most gifted storyteller of his generation He's a silent force that strikes you when you least expect it and with The Way of Kings he introduces a series that will change the history of Fantasy Goodreads reviewer I've been struck speechless I've loved Sanderson's books in the past but this one completely blew me away I really wish I could give The Way of Kings a sixth star Goodreads reviewer
