

► La voix passive, « on » et les verbes pronominaux

A. Schooling (Collège Vendôme, Lyon © 2009)

1) La voix passive : notions

- Contrairement à ce que l'on dit parfois, la voix passive ne sert pas seulement à dire que le sujet subit l'action...
- Il est plus utile de dire que cette « voix » **permet de mettre en relief autre chose que l'agent (celui qui fait l'action)**
- **Soit on ignore qui a fait l'action, soit on s'intéresse davantage à celui à qui on a fait l'action** (qui devient sujet grammatical de la phrase)

2) Formation de la voix passive

- Sujet Grammatical / Opérateur « **BE** » **conjugué à la forme voulue / Participe Passé**

3) La voix passive : la différence entre l'anglais et le français

- **En français, à la voix passive le sujet grammatical peut seulement être un complément d'objet direct (COD)** ; un complément d'objet indirect (COI) ne peut jamais devenir sujet de la phrase
- **En anglais, s'il y a un COI, il peut être sujet d'une phrase à la voix passive et le plus souvent, le COI au lieu du COD deviendra le sujet car on s'intéresse plus aux personnes à qui on fait l'action que les « objets »**
- En français, pour exprimer la même chose, pour ne pas dire qui a fait l'action, nous avons recours au pronom personnel « **on** » et la phrase sera à la voix active

4) Les verbes à deux compléments

- Il y a un certain nombre de verbes qui auront presque toujours un COD et un COI. Voici les dix verbes les plus courants :

ask = demander

award = accorder

expect = s'attendre à

give* = donner

grant = doter, accorder

offer = offrir

send* = envoyer

show* = montrer

teach* = enseigner

tell* = dire qqch. à qqn

* = verbe irrégulier

5) Exemples aux voix active et passive

- The cat **has eaten** the mouse. ⇨ Le chat a mangé la souris ; souris = COD. **Voix Active**
- The mouse **has been eaten** (by the cat). ⇨ La souris a été mangée (par le chat) ; on n'est pas obligé de mentionner le complément d'agent de la phrase. **Voix Passive**
- My uncle **sent** me a letter yesterday. ⇨ Mon oncle m'a envoyé une lettre hier ; me = COI. **Voix Active**
- I **was sent** a letter (by my uncle) yesterday. ⇨ On m'a envoyé une lettre hier ; en français, si on mentionne l'oncle, il faut le mettre soit en sujet à la voix active, soit en complément d'agent avec « une lettre » comme sujet grammatical. **COI en sujet = Voix Passive en anglais uniquement !**
